## ACKNOWLEDGEMENTS

My thanks go to the Editorial Board of *Studiosum Novi Testamenti Societas*, especially to Professor Ernest Best, and to the Syndics of the Cambridge University Press for accepting the present work for publication in the Monograph Series of the society; to the staff of the press for the excellence of their work; to the readers of the typescript, including my colleague Dr Moises Silva, for their valuable suggestions; to my secretary Mrs Betty Bouslough for her nearly flawless typing of the manuscript; and to the administration and trustees of Westmont College for a sabbatical leave which enabled me to devote a large amount of time to the present work.
