## Acknowledgements

Our individual contributions to this volume owe a debt to earlier studies of Massinger and to generous colleagues and fellow contributors who have read and commented upon our essays, but as editor I should like to acknowledge the kind assistance of Sarah Stanton, humanities editor at Cambridge University Press, and of Professor Cyrus Hoy, who has steadily encouraged my own interest in Massinger for nearly a decade. I am grateful to the editors of *The Times Literary Supplement* for permission to reprint Anne Barton's review of the Clarendon edition of Massinger. I should also like to express my gratitude to my colleagues, Dr Kenneth Mason and Dr Charles Natoli, to my research assistant, Daniel McGurk, and to St John Fisher College for a Summer Research Grant that allowed me to complete work on this volume.
