Acknowledgments

This volume is based on selected papers presented at a workshop on Strategies for Research on Child Survival jointly sponsored by The Rockefeller and Ford Foundations and held at Bellagio, Italy, October 1983. The workshop was organized and chaired by W. Parker Mauldin of The Rockefeller Foundation and Oscar Harkavy of The Ford Foundation. Lincoln C. Chen, Jane Menken, W. Henry Mosley, and Samuel H. Preston served on the steering committee for the workshop.

Publication of this volume was made possible by assistance from The Rockefeller and Ford Foundations.
