## ACKNOWLEDGEMENTS

---

Research for this book has taken me to libraries throughout Britain as well as France and the United States. I would like to thank the staff of all those libraries in the List of Abbreviations for their help and co-operation. I would also like to mention a number of other libraries not included in that list: the Bibliothèque Nationale in Paris, the Central Library, the University Library and the Library of the Literary and Philosophical Society of Newcastle upon Tyne, Durham University Library, including the Chapter Library and the Sharp Library, and finally the Firestone Library at Princeton University. I am particularly indebted to the trustees of the Procter Fellowship, which enabled me to travel to the United States, and to the Committee of the Research Fund at the University of Newcastle upon Tyne, which provided me with a series of grants to visit libraries elsewhere.

Among the many individuals who have helped me in my work I should mention first the supervisors of my D.Phil. thesis at Oxford on 'George Eliot and the Religion of Humanity', Mrs D. N. Bednarowska and the Revd Dr D. G. Rowell. Others who have given me valuable help and advice include Dr F. C. Baier, Dr William Baker, Dr Andrew Brown, M. Paulo de Berredo Carneiro, Mrs Marcella Carver, Professor Pierre Coustillas, Miss Lesley Gordon, Professor G. S. Haight, Miss Julia Harding, Mr E. D. H. Johnson, Dr U. C. Knoepfelmacher, Dr Douglas Paschall, Dr Angela Raspin, Dr Bernard Richards, Dr D. B. Saunders, Mr Gordon Straughan, Professor R. K. R. Thornton and Professor Martha S. Vogeler. I have to thank Dr Ewan Klein and Dr Hermann Moisl for helping me to overcome my fear of the word-processor and Mrs Judith Hunter and Mrs Janet Wheeler for helping me to compile the bibliography on the central computer of the University of Newcastle upon Tyne.

Permission to quote previously unpublished manuscript material was kindly granted by Major Reginald Harrison; Mr Alexander Murray; Mr Jonathan Ouvry; Miss Joyce Quin; the trustees of the estate of the late Miss E. A. Dugdale; the Henry W. and Albert A. Berg Collection; New York Public Library; Astor, Lenox and Tilden Foundation; the Beinecke Rare Book and Manuscript Library at Yale

The editors of the following periodicals have kindly allowed me to reprint material which first appeared in their pages: *Durham University Journal*, *George Eliot–George Henry Lewes Newsletter*, *George Gissing Newsletter*, *Modern Language Review* and *Review of English Studies*.

My deepest thanks, however, are reserved for friends and relatives who have seen this book through the various stages of its production, in particular my parents and my wife, Gabriele, without whose constant help and encouragement it would never have been finished.

ABBREVIATIONS

BIBLIOGRAPHICAL REFERENCES

The bracketed references apply to the alphabetical bibliography at the end of the book. Most of the abbreviations are self-evident ('AC' for Auguste Comte, 'GE, *AB*' for George Eliot's *Adam Bede* and so on). Abbreviations of titles of books are expanded in the bibliography, where they can be found under their authors' names. Periodical abbreviations, which are listed separately, are always italicised. If figures alone appear in brackets the other details can be found in the previous reference.
