INDEX I

GAZETTEER OF SITES

The English names are those at present in general use. Roman place-names, where known, are as on the Ordnance Survey Map of Roman Britain (Third Edition), except for VELVNIA (Carriden), the conclusive evidence for which is inscription (26), discovered after the map was compiled. Four-figure National Grid references are appended. Page references (in heavy type) are to the main site descriptions.

SCOTLAND

Dumfries

Birrens (NY 2175) BLATOBVLGIVM,
107

Dunbarton

Auchendavy (NS 6774), **159**
