## ACKNOWLEDGEMENTS

I desire to express my thanks to a number of persons who have read the typescript of this monograph at various stages of its preparation and offered both encouragement and criticism from which it has benefited: to Professors P. R. Ackroyd of King's College, London and James Barr of Manchester University; to my former colleague Mrs Mary Tanner; and in particular to Mr W. G. Lambert of Birmingham University, who has patiently criticized my use of Babylonian material and drawn my attention to many points and publications of which otherwise I should have been unaware. I also wish to thank Professor J. A. Emerton of Cambridge University, not only for a number of suggestions, but in particular for according my work the honour of inclusion in the Monograph Series of the Society for Old Testament Study.
