## PREFACE

The present volume of *Studies in Church History* is the ninth to be produced by the Ecclesiastical History Society, and the fourth to be published by the Cambridge University Press. ‘Heresy, Schism and Religious Protest’ was the theme of the tenth summer meeting (held at University College, Durham) and the eleventh winter meeting of the Society. All the thirty papers included in this volume were read at one or other of these meetings, and are arranged in chronological order of subject matter.
