### 1 Introduction 1

History of goals and of the conjunctive method 2  
 Segmentary lineages and segmentary states 3  
 The frontier model 6

### *PART I CHONTAL SEGMENTARY LINEAGE FORMATION WITHIN THE GULF FRONTIER AND DIASPORAS TO YUCATAN, CHIAPAS AND GUATEMALA 11*

### 2 Segmentary lineage organization of the Quiché, Chontal and Itza 13

Introduction: models of trade versus political economy 13  
 The historical hypothesis: the Quiché as Chontal *émigrés* 18  
 The Middle Classic trade model 20  
 Massing through complementary opposition 22  
 Mexican/Mayan frontier: the Chontalpa 35

### 3 The cult of the feathered serpent: the Toltec connection 54

### 4 Warrior and aristocratic lineages: ecological conditions and leapfrog migrations 71

Community hierarchy within Acalan 71  
 Archaeological comparisons within the Chontalpa and steamroller expansion 79  
 Leapfrog expansion into the interior 82  
 Rio Negro valley settlements 86  
 Warrior lineage enclaves in the Sierra de Chuacus 90  
 Warrior migration to Chiapas 100

<i>PART II THE EARLY POSTCLASSIC MEXICAN–MAYAN FRONTIER OF THE MIDWESTERN GUATEMALAN HIGHLANDS</i>	107
<b>5 The acropolis centers and tun/katun ritual alliances</b>	109
The highland frontier	109
Confederation of the tun/katun	112
Feathered serpent lineages	113
The acropolis pattern: highland/lowland comparisons	117
Coupling and quartipartition in settlement patterning	123
Acropolis design and tun and katun rituals	127
Katun linkage among segmental communities	133
<b>6 The Quiché segmentary state of the Late Postclassic period</b>	142
Expansion according to the cardinal directions	142
Formation of the segmentary state	148
Acropolis centers, “ecological symbiosis” and “Toltec” crosssties	158
Metamorphosis of the state’s nucleus	170
Mountain border colonies	175
Steamroller colonization of the western highlands: environmental redundancy	180
Fragmentation of the Quiché state and parallel growth of the Cakchiquel segmentary state	185
<i>PART III THE EASTERN FRONTIER OF MESOAMERICA</i>	195
<b>7 Demographic and sociocultural dynamics of segmentary lineage expansion: sociocultural transformations</b>	197
The eastern frontier defined	197
The eastern frontier pattern: comparisons between the segmentary states and Lower Central America	201
Geo-cultural divisions and demography	206
Classic period Mexicanized substratum	211
An ethnohistoric outline of placements and displacements by segmentary lineage groupings	214
Homogenization processes: incremental political centralization through evolutionary promotion	232
<b>8 The ballgame ritual and myth for massing through complementary opposition</b>	244
Ballcourt proxemics	244
The ballgame myth as frontier ideology	246
The eastern frontier	249

ix

*PART IV COMPARISONS AMONG THE MEXICAN–MAYAN FRONTIERS 253***9 Conclusions 255**

The conjunctive method, migration and competing models 255

The segmentary lineage model and behavioral commonalities across southern Mesoamerica 267

The segmentary state's ontogenetic cycle 274

The frontier model 282
