ACKNOWLEDGEMENTS

I owe a deep debt to Professor Geoffrey Elton for his unfailing support, constructive criticism, and decisive enthusiasm to see the book published.

I am grateful to Professor Paul Ward for his expression of interest over several years in seeing this edition of the *De Republica Anglorum* emerge and for many helpful suggestions made on reading an early text of the work.

I should like to express my thanks to the Cambridge University Press for its work in preparing the book for publication.

M.D.
