## ACKNOWLEDGEMENTS

This book was finished during a year's sabbatical leave spent at St John's College, Cambridge, as a Commonwealth Fellow. I am grateful to the Master and Fellows of St John's both for offering me a Fellowship and for their unfailing kindness while I was with them.

I owe a special debt to Mr J. R. Bambrough and to Dr A. C. Ewing, both of whom read this book in manuscript and made many helpful criticisms.

I have incorporated some material from articles of mine published in *Philosophy*, *The Australasian Journal of Philosophy* and *Analysis*. The editors of these journals are thanked for giving their permission.

The reproduction of Edwin Tanner's painting, *Moral Philosophers*, is by courtesy of the artist and the owner, Monash University. I am also very grateful to Mr R. L. Bryant for his technical assistance in making the reproduction possible.
