Harry Godwin entered Cambridge University as an undergraduate in 1919 and remained there until his retirement from the Chair of Botany in 1968. In the intervening years his enthusiasm, industry and humanity have been inexhaustible sources of stimulus and guidance to innumerable students and colleagues. The authors of these essays offer them in gratitude for having had an opportunity to share in the excitement.

CONTENTS

Pleistocene history of the British Flora <i>by</i> R. G. WEST	<i>page</i> 1
The history of the Ericaceae in Ireland during the Quaternary Epoch <i>by</i> G. F. MITCHELL <i>and</i> W. A. WATTS	13
