ACKNOWLEDGMENTS

I should like to acknowledge with gratitude the advice and help I have received from Professor A. V. Judges and the unfailing assistance given by Mr S. J. Teague and his staff at the library of Chelsea College of Science and Technology. I should also like to thank the Newcastle City Reference Library for copies of material from the Cowen papers in its possession, and the generous help of the library of the Co-operative Union, Manchester, in obtaining copies of correspondence in its collection of Owen papers.
