1. Explaining change	1
1.1 The illusion of immobility and the reality of change	1
1.2 Majority effects, minority effects	3
1.3 Searching for the social impact of minorities	10
1.3.1 First-generation studies: the social context of innovation	12
1.3.2 Second-generation studies: influence as social identification	13
1.3.3 Third-generation studies: some gaps in discrimination	14
1.3.4 Fourth-generation studies: towards interrelating discrimination and validation	15
2. Minority influence and social comparison	17
2.1 The intergroup nature of innovation processes	17
2.2 Categorization, identity, and categorical differentiation	19
2.3 Minority influence and social categorization	21
2.3.1 Ingroup favouritism and public influence	22
2.3.2 Salience of the intergroup context	24
2.3.3 The feeling of shared identity	27
2.4 Minority influence and evaluation contexts	30
2.4.1 Original minorities and deviant minorities	31
2.4.2 When the moderates are more extreme and the extremists more moderate	33
2.4.3 Influence and ethnocentrism	34
2.5 Minority influence and identification conflicts	38
2.5.1 Between favouritism and discrimination: the ingroup paradox	40

2.5.2	The dissimilation effect	41
2.5.3	Identification and regulation of membership	43
2.6	Identification as a model of minority influence	45
3.	The limits of discrimination	50
3.1	Behavioural rhetoric and categorization	50
3.2	Categorization and degree of freedom	53
3.2.1	Influence as a function of conflict intensity	53
3.2.2	Negotiation style and the feeling of shared identity	54
3.2.3	Ideological negotiation and categorization	57
3.2.4	Ideological discourse and psychosocial regulations	59
3.3	The indirect effects of categorization	61
3.3.1	The private influence of outgroups	61
3.3.2	Outgroup minorities and delayed influence	63
3.3.3	Beyond social costs: the alternative	65
3.3.4	Conversion: from the interpersonal to the intergroup	67
3.4	Conclusions	69
4.	Validation and minority influence	71
4.1	Learning by imitation or social constructivism?	72
4.1.1	Selective focusing on the source or on the object	72
4.1.2	Indirect influence and social constructivism	74
4.1.3	Minorities and creativity	77
4.2	The model of validation	80
4.3	Psychosocial construction of the minority	84
4.3.1	The ambivalence of minority representation	84
4.3.2	From a stereotype to a dual representation	88
4.3.3	Consistency	89
4.3.4	Validation implies focusing on the source	92
4.3.5	From intergroup conflict to intragroup change	94
4.3.6	Homologies and their negation	97
4.3.7	Conversion: not 'in spite of' but 'thanks to' categorization	100
4.4	Validation and recognition of an organizing principle	102
4.4.1	Organizing principle and perceptual context	103
4.4.2	Inferential cognitive activity and validation	106
4.4.3	Consensus about the specificity of a minority norm	107
4.4.4	Experimental induction of the organizing principle	111
4.4.5	To validate is not to approve	114
4.5	Conclusions	118

<i>Contents</i>	ix
5. Comparison and validation in minority influence	120
5.1 Explaining the possible	120
5.1.1 Resistance and/or change	120
5.1.2 Comparison and validation: their theoretical link	123
5.2 The paradox of identification	124
5.2.1 Comparison versus validation	124
5.2.2 The dual dynamics of social cost	127
5.3 Beyond comparison, validation	130
5.3.1 The cognitive way to conversion	130
5.3.2 Dimensionality of judgements and validation	131
5.3.3 Saliency of the intergroup context and validation	132
5.3.4 Interdependent or independent judgements, and dissociation	135
5.3.5 Comparison, validation, and ideological distance	139
5.3.6 Conflict and dissociation: from discrimination to conversion	140
5.3.7 Independence, dissociation, and organizing principle	143
5.4 Conclusions	144
6. Resistance and change	146
6.1 Psychologization as a form of resistance	146
6.1.1 Psychologization: the logic of indissociation	147
6.1.2 Resistance and dimensionality of representation	149
6.2 Beyond resistance: change	150
6.2.1 Minorities and the spirit of the times: what causality?	150
6.2.2 The paradoxical effects of resistance to change	153
6.2.3 Beyond denial, truth	154
6.2.4 Changing the norms: a privilege of minorities	160
6.3 Conclusion	162
7. Appendices	164
7.1 Pollution paradigm	164
7.1.1 Opinion questionnaire	165
7.1.2 Example of a minority text	166
7.1.3 McHolson Test	167
7.2 Attitudes-towards-foreigners paradigm	168
7.2.1 Pre-test question	168
7.2.2 Examples of minority texts	168
7.2.3 Explanation of the agreement/disagreement response scales	170
