	<i>Foreword by Harry Hoijer</i>	xi
	<i>Preface</i>	xiii
	<i>Acknowledgments</i>	xvi
	<i>List of abbreviations</i>	xix
1	The controversy over Proto-Athapaskan kinship	1
2	Lexical reconstruction	5
	Introduction	5
	Lexical reconstruction defined	7
	Subgrouping the Athapaskan languages	10
	The procedure of lexical reconstruction	15
	Near-inclusion	19
	The contrast of meanings	20
	The principle of reconstruction by contrast	20
	Addition	22
3	The reconstruction of Proto-Athapaskan kinship	23
	A note on new lists	23
	The reconstruction	23
	Characteristics of Proto-Athapaskan terminology	66
4	Kinship-term patterns as bases for inferences about kinship organization	71
5	Interpretation of Proto-Athapaskan terminology	116
	Introduction	116
	How shall we regard the kinship terminology of a proto-language?	117
	Bases for interpretation	120

vi	<i>Contents</i>	
	Inferences based on statistics	<i>page</i> 122
	Inferences based on experience and intuition	128
	Recapitulation	133
6	Approaches to the study of differentiation	135
	The terminology of daughter languages and larger major subgroups	135
	The analysis of dialect differentiation	141
	Plan for the analysis of dialect differentiation	157
7	The Pacific Subgroup	158
	Introduction	158
	The reconstruction of Proto-Pacific and early Hupic terminology	159
	Terminological pattern of early Hupic	162
	Use of predictor patterns to interpret early Hupic terminology	163
	Interpretations based on experience and intuition	164
	Summary and implications	165
	Internal differentiation of Hupic	165
	The ethnological record	186
	Conclusions	192
8	Apachean	193
	Introduction	193
	Terminological pattern of early Apachean	193
	Interpretations based on statistics	202
	Interpretations based on experience and intuition	204
	Internal differentiation of the Apachean subgroup	205
	Interpretation of the various systems	225
	The ethnological record	229
	Apachean and Apachean differentiation reconsidered	231
9	Canadian differentiation	236
	Introduction	236
	Early Canadian terminology and Canadian differentiation	255
	Canadian differentiation reconsidered	274
	Interpretation of Canadian Athapaskan	276
	Descent in Canadian	289
	Recapitulation	291
	The diffusion of kinship terminology	292
	Addendum	292

	<i>Contents</i>	vii
10	The methods and results of prior reconstructions	<i>page</i> 294
	Introduction	294
	The history of Athapaskan reconstruction	294
	Lexical reconstruction and homotypical reconstruction	296
	Murdock's use of internal reconstruction and homotypical reconstruction	309
	Charles B. White's use of internal reconstruction and congruity	331
	Archetypical reconstruction	338
	Summary and conclusions	348
11	Ethnological implications	352
	Introduction	352
	Reconstruction of PA kinship organization	352
	The diffusion hypothesis	360
	The plausibility of PA matrilineality	373
	Evaluation of various reconstructions	383
	Recapitulation	421
12	Summary	424
	<i>Glossary of terms used to describe kinship systems</i>	429
	<i>Rosters of kinship terms</i>	436
