Chinese Arts & Crafts

Chinese arts and crafts enjoy a unique reputation in the history of material culture and civilization. For several thousand years, crafts have echoed the rhythm of daily life in China. From rural society to the imperial court, these crafts have served a practical purpose, constantly evolving with changes in lifestyle. In this illustrated introduction Hang Jian and Guo Qiuhui discuss the colorful history and development of distinctive Chinese crafts, including ceramics, furniture, clothing and decorative arts.

Introductions to Chinese Culture

The thirty volumes in the Introductions to Chinese Culture series provide accessible overviews of particular aspects of Chinese culture written by a noted expert in the field concerned. The topics covered range from architecture to archaeology, from mythology and music to martial arts. Each volume is lavishly illustrated in full color and will appeal to students requiring an introductory survey of the subject, as well as to more general readers.
