## PREFACE

The fourth part of these Illustrations, consisting of the Monocotyledons, completes the set and follows the same general pattern as the earlier parts.

The sequence followed and the nomenclature adopted are those used in *Flora of the British Isles*, second edition, and the revised reprint of the *Excursion Flora*.

Miss Roles has completed the task of drawing nearly 2000 British plants, almost all from living specimens. We would like to take this opportunity of thanking her for the care she has displayed in making the drawings and for the patience and continued interest she has shown throughout the 15 years or so she has been doing them. We wish her a very happy retirement.

We are greatly indebted to the following for supplying many of the plants illustrated in this Part: Miss J. Allison, the late R. C. L. Burges, J. H. Chandler, Miss A. P. Conolly, G. I. Crawford, R. W. David, J. G. Dony, Miss U. K. Duncan, J. S. L. Gilmour, Mrs M. R. Gilson, the late R. A. Graham, G. Halliday, M. K. Hanson, C. B. Heginbotham, Miss J. E. Hibbard, E. K. Horwood, E. W. Jones, J. E. Lousley, D. McClintock, J. G. Packer, W. Palmer, Mrs M. S. Pennington, T. D. Pennington, C. D. Pigott, M. E. D. Poore, T. E. D. Poore, C. T. Prime, J. E. Raven, N. D. Simpson, Mrs F. Le Sueur, F. J.
