Acknowledgments

We are very grateful to Dr Richard Tuck for advice on some of the issues raised by Henry Parker's *Observations*; to Mrs Audrey Daughton for her assistance in the preparation of our editions of two of the pamphlets; to Dr Blair Worden for his advice on the introduction; and to Andrew Brown and Terence Moore, of Cambridge University Press, for their meticulous editing and helpful suggestions. We have also benefited greatly from the interest taken in this period by several generations of seminar pupils at Cambridge.
