## *Past and Present Publications*

---

Past and Present Publications will comprise books similar in character to the articles in the journal *Past and Present*. Whether the volumes in the series are collections of essays – some previously published, others new studies – or monographs, they will encompass a wide variety of scholarly and original works primarily concerned with social, economic and cultural changes, and their causes and consequences. They will appeal to both specialists and non-specialists and will endeavour to communicate the results of historical and allied research in readable and lively form. This new series continues and expands in its aims the volumes previously published elsewhere.

The first volumes to be published in the series by Cambridge University Press are:

*Family and Inheritance: Rural Society in Western Europe 1200–1800*, edited by Jack Goody, Joan Thirsk and E. P. Thompson

*French Society and the Revolution*, edited by Douglas Johnson

*Peasants, Knights and Heretics: Studies in Medieval English Social History*, edited by R. H. Hilton

Volumes previously published with Routledge & Kegan Paul are:

*Crisis in Europe 1560–1660*, edited by Trevor Aston

*Studies in Ancient Society*, edited by M. I. Finley

*The Intellectual Revolution of the Seventeenth Century*, edited by Charles Webster
