Note: Most of the topics listed in the index are grouped alphabetically (and repeated when applicable) under general headings that correspond to the subject matters dealt with in the book (e.g., rural societies, in East Central Europe; peasants, in East Central Europe; immigrants, in Johnstown; second generation, in Johnstown). To facilitate intergroup comparisons, separate headings are also included for particular countries in Europe (e.g., Hungary, Poland, Slovenia) and for particular ethnic groups in Johnstown (e.g., Magyars, Poles, Slovenes).
