 Chinese peasants:  
 even better than English and American  
 workers (Mao 1955) 113  
 Chinese people:  
 historic mission to build new nation (Mao  
 1923) 34  
 Mao hails future golden age (1919) 23  
 Mao hails glorious revolutionary tradition  
 (1939) 75  
 Chinese political culture 94  
 Chinese proletariat:  
 older than bourgeoisie in Mao's view 79  
 Chinese revolution:  
 aspects of 2  
 contrast with Russian Revolution 44, 45  
 Mao on zig-zag course of 81  
 Mao places stamp on 7  
 Mao's role in 1  
 peasant revolution only form in Mao's view  
 (1926) 39  
 periodization 8  
 problems faced after 1949 more difficult than  
 those of conquest of power 195  
 'Chinese road to power':  
 devised by Mao in Yenan period 12  
 'Chinese road to socialism':  
 and 'Socialism with Chinese characteristics'  
 196  
 Mao's search for 12, 125, 148  
 Chinese rural society:  
 distinction between 'upper' and 'lower'  
 middle peasants fundamental in Mao's  
 view from 1955 117  
 Chinese society:  
 Mao changes his view of basic contradiction  
 (October 1957) 159  
 socialist and capitalist faction in party  
 constitute principal contradiction, in  
 Mao's view (1964) 171  
 terms of political combat appear less clear-  
 cut than in Europe 55  
 Chinese Soviet Republic 57  
 declares war on Japan (1932) 59  
 Chinese thought, increasing influence on Mao  
 in later years 141, 167, 185  
 Chinese Writers' Association:  
 Mao compares to Petöfi Club (1964) 199

 role in Cultural Revolution ideology 185,  
 190
- cities:  
 entering them made party deteriorate (Mao  
 1969) 178  
 Mao deplors lack of communist spirit in  
 (1958) 199  
 Mao plays down importance (1926) 40  
 must henceforth lead villages (Mao 1949)  
 110
- civil wars:  
 Mao (1968) says masses do not like 175
- 'class against class':  
 Comintern line (1928) 58
- class contradictions:  
 reflected within Party, in Mao's view (1952)  
 116
- class nature:  
 family origins and individual behaviour as  
 determinants in Mao's view (1964) 166  
 Mao's stress on subjective factors in  
 defining 178
- class struggle:  
 basically resolved in China (Mao 1956-7) 10,  
 119, 121, 122  
 dialectic with building socialism heart of  
 Mao's conception 197  
 growing emphasis on in Great Leap 200
- Lu-shan as turning-point in evolution  
 toward stress on 162
- Mao predicts (1959) will last another 20  
 years 162
- Mao's call for at tenth plenum (1962) 168
- Mao's growing obsession with in 1960s 158,  
 159
- 'One divides into two' as a call for 168  
 stressed in editorial of December 1956 151  
 superseded by contradictions among people  
 as principal contradiction (Mao 1957) 123  
 those who deny are not Marxist-Leninists  
 (Mao 1956) 121  
 will be very tense during fifteen-year period  
 (Mao 1955) 118
- classes:  
 Mao links to 'bad people' (1962) 165  
 Mao's un-Marxist view (1919) 21  
 show themselves ideologically and  
 politically, according to K'ang Sheng  
 (1970) 179  
 wither away before nations (1958) 191
- coalition government:  
 Mao abandons idea (1946) 99  
 Mao envisages as tactical expedient (1944-5)  
 90
- Cohen, A.:  
 argues that Mao did not write 'On  
 contradiction' in 1937 64, 66  
 sees 'principal contradiction' as Mao's main  
 contribution to dialectics 66

   criticizes Stalin's interpretation of dialectics  
   (January 1957) 136  
   cult of during Great Leap 200  
   declares (1962) that 'new bourgeois elements'  
   can still be produced 163  
   declares that class struggle has basically  
   come to an end (1957) 10  
   defines locus of sovereignty in China (1949)  
   in terms of 'people', with workers at  
   centre 101  
   denies legitimacy of party during Cultural  
   Revolution 189

- Mao Tse-tung (*cont.*)  
 denounces marriage as 'rape brigade' (1920) 27  
 denounces Stalin's leftist errors (1957) 10  
 describes self as 'native philosopher' (1964) 135  
 devises Chinese road to socialism in 1950s 12  
 dialectic between class struggle and building socialism 197  
 differences between administrative philosophy and that of Kao Kang 107  
 differences between conception of socialism and that of Teng Hsiao-p'ing 196  
 difficulties with 'On contradiction' in 1950 64  
 directive of 21 July 1968 on education 175  
 dissuaded from introducing free supply system in 1958 because Chou En-lai demonstrates cost 130  
 divides all societies into upper, middle, and lower categories (1926) 37, 38  
 'Don't hit out in all directions' (1950) 117, 118  
 drafts resolution on 'mass line' (1943) 85  
 drafts 'Sixty Articles' on communes (1961) 162  
 draws up a plan for 'new villages' (1919) 35  
 economic ideas less one-sided than commonly thought 187  
 edits his works (1950) 72  
 edits *Hsiang-chiang p'ing-lun* (1919) 21  
 edits Kuomintang organ *Political weekly* (1925-6) 34  
 egalitarian view of Chinese rural society (1922) 37  
 elected Chairman of Politburo and of Secretariat (March 1943) 9, 85  
 emphasis on contradictions without parallel in Soviet writings 63  
 emphasis on dialectic between subjective and objective 55  
 emphasis on will 17  
 endorses Military Affairs Commission resolution of October 1960 praising his thought 174  
 establishment of predominance a goal of Rectification Campaign of 1942-3 84, 85  
 evolves toward Leninism in 1920-1 29  
 faith in limitless capacities of man to reshape the world through struggle 55  
 formative years (1917-27) 11  
 formula 'affirmation of the negation' represents further stress on superstructure 140  
 founds 'Self-Study University' (1920) 26  
 growing influence of Chinese thought in his philosophy of 1960s 182  
 growing nationalism in late 1950s 158  
 hails progress from dictatorship to parliamentarianism (1919) 22  
 hails revival of slogan 'Seek the truth from facts' at sixth plenum (December 1958) 132  
 Hangchow speech (1965) 191  
 humiliated by '28 Bolsheviks' in 1932-4 86  
 Hunan peasant report (1927) 41, 55  
 Hunanese patriotism 24  
 identification with China 8  
 ideological heritage as continuing source of legitimacy 186  
 impressed by Russian Revolution (1919) 23  
 increasing frustration during Cultural Revolution 11  
 indirect contacts with Chiang Kai-shek (1935) 60  
 influenced by liberalism in May Fourth era 17, 19, 21  
 interpretation of Chinese history 74  
 Introduction to *The Communist* (1939) 81, 82  
 itinerary from liberalism to Leninism 9  
 lack of respect for institutions in later years 203  
 launches Great Leap Forward (1958) 10  
 launches 'Learn from the PLA' campaign (1964) 174  
 launches Rectification Campaign (February 1942) 85  
 leads strike of Changsha printing workers (December 1922) 30  
 lecture notes on dialectical materialism (1937) 9, 61-68, 136  
 lectures on class structure of countryside (1922) 36  
 letter of January 1930 to Lin Piao 54  
 letter of 5 April 1929 to Central Committee 48  
 letter to Miyazaki Toten (1917) 17  
 likened to Ch'ih Shin-huang in his last years 96  
 looks to masses and countryside after 1958 127  
 loyalty to as criterion of revolutionary virtue 185  
 lumped together with 'Red Spears' in Comintern letter of 1929 49  
 May Fourth as beginning of his revolutionary career 14  
 mirrors China in first half of twentieth century 196  
 motives for denying that he lectured on dialectical materialism in 1937 62  
 nationalism 15  
 negotiates pact of mutual assistance with Stalin in 1949-50 147  
 not a mere nationalist, despite his emphasis on national unity 55  
 not clear about distinction between Marxism

- and anarchism (1919) 21
- on alliance with national bourgeoisie (1935) 59
- on ambiguity of China's low economic and cultural level (1957) 124
- on broad class basis of Anti-Japanese united front 81
- on China's revolutionary tradition (1939) 75
- on class basis of KMT (1926) 42

- Problems of strategy in the Anti-Japanese guerrilla war* (1938) 53
- proclaims northward march to fight Japan (1934) 59
- proposes (August 1958) to replace wage system by free supply system 129
- puts forward 'Hundred Flowers' slogan (April 1956) 119
- puts forward slogan 'Never forget the class struggle' at tenth plenum (1962) 164
- puts forward slogan 'Political power grows out of the barrel of a gun' (August 1927) 9, 46
- puts forward view that 'Hundred Schools' is the way forward for science (1956) 119
- radicalization of thought in early 1960s 159
- reaction to Soviet Twentieth Congress 150
- 'Reading notes' on the Soviet textbook of political economy (1960) 5, 158, 164, 182, 188, 192
- reasons for dominant role in Chinese revolution 7
- reasserts himself in anti-Japanese struggle 58
- recognizes Europeans as precursors but seeks to surpass them 198
- record before and after 1949 195
- reduced to figurehead (1934) 58
- regards Kuomintang as main body of revolutionary faction (1923) 31

- Mao Tse-tung (*cont.*)  
 regards people and nation as indissolubly linked 25  
 regards 70–30 assessment of Stalin as fair 150  
 rejects Stalin's view of dialectics (1965) 141  
 relations with Khrushchev (1957) 153  
 relations with Stalin during Yenan period 146  
 renewed alliance with Chiang Kai-shek (1937) 58  
 report on propaganda to Kuomintang Second Congress (1926) stresses importance of countryside 35  
 'Report on the struggles on the Ching-kang-shan' (November 1928) 47, 54  
 report to Chinese Communist Party on Hunan peasant movement (16 February 1927) 43  
 repudiates law of negation of the negation (1964) 65, 140  
 repudiation of leadership from above during Cultural Revolution 172  
 resentment against Stalin's high-handed treatment 154  
 resolution adopted in Chi-an (October 1930) declares that soviet power will shortly burst upon the scene in the whole country and the whole world 50  
 returns to Canton in late 1925 34  
 revisions of writings in *Selected Works* 67, 80  
 rise to supreme power in party 9  
 role in writing nine replies to the Soviets (1963–4) 156  
 says (1943) Moscow has not intervened in affairs of Chinese Communist Party since 1935 85  
 search for a Chinese road to socialism 125  
 seeks to root out selfishness during Cultural Revolution 12  
 sees conflict between socialist and capitalist factions in party as principal contradiction in Chinese society (1964) 171  
 sees peasants as having more far-reaching goals than workers (1926) 40  
 sees reform of political system as key to China's survival (1918) 20  
 self-image as ruler a mixture of Chinese and Leninist elements 196  
 shift from urban-centred to rural-centred perspective between 1923 and 1926 33  
 similarities and differences as compared to Lenin 46  
 similarity of his tactics to Sun Tzu's 53  
 'Sixty articles on work methods' (January 1958) 105, 130, 138  
*Socialist upsurge in China's countryside* (1955) 113, 127, 163  
 speaks at First Kuomintang Congress (1924) 34  
 speaks of high proportion of comrades killed during struggle for power (April 1969) 178  
 speech of January 1962 148, 149, 165  
 speech of September 1949: 'We have stood up' 195  
 speech of 2 May 1956 on Hundred Flowers 10  
 speech to KMT First Kwangtung Provincial Congress (1925) 38  
 still has not found a 'clear concept' among all ideologies (1920) 26  
 stress on courage (1917) 16  
 stress on linking theory and practice not inspired by Wang Yang-ming 19  
 stress on little people (1917) 19  
 stresses 'making ends meet' as main criterion for defining social strata (1926) 37  
 stresses martial spirit (1917) 15  
 stresses need to follow Soviet model (1949) 10  
 struggle with 'International' faction 69  
 studies Marxist philosophy beginning in 1936 61
