*Understanding Jesus Today*

Edited by Howard Clark Kee

Growing interest in the historical Jesus can be frustrated by diverse and conflicting claims about what he said and did. This series brings together in accessible form the conclusions of an international team of distinguished scholars regarding various important aspects of Jesus' teaching. All of the authors have extensively analyzed the biblical and contextual evidence about who Jesus was and what he taught, and they summarize their findings here in easily readable and stimulating discussions. Each book includes an appendix of questions for further thought and recommendations for further reading on the topic covered.
