## Acknowledgements

I wish to thank the editors of *Music and Letters* and the Council of the Royal Musical Association for permission to employ and adapt material.

I am most grateful to the following, who have helped me in various ways: Sally Cavender of Boosey & Hawkes Music Publishers Ltd, David Stevens and Sally Groves of Schott & Co. Ltd, and Martin Kingsbury of Faber Music Ltd, London, willingly supplied scores and tapes; Rosamund Strode of the Britten–Pears Library at Aldeburgh answered queries and showed me some of the fascinating material which the library contains; Meirion Bowen, Ian Kemp, Colin Matthews and Donald Mitchell all provided the stimulus of ideas and insights often refreshingly different from my own. I owe particular debts to Peter Evans, who read my completed typescript, and to my wife Mary, without whom the book could scarcely have been begun.

The music examples are reproduced by permission of the following publishers.
