- construction, 44, 49, 96, 143, 144, 156, 192n, 199n, 200n
- consumption, 189n, 191n, 196n
 - structure of, 127, 145, 175
 - segmented, 175
 - and lifestyle, 158
- contract labor, 83, 84, 191n, 195n
 - Caribbean, 31, 83
 - Chinese, 28, 35
 - farm, 68, 83, 195n
 - Indian, 31, 29
 - Mexican, 8, 195n
 - tribal, 32
- control
 - of global economic system, 2, 10, 36, 126–130
 - requirements for, 16, 37, 41, 42, 47, 53, 190n
 - at workplace, 16, 37, 41, 42; types of, 37, 42
- customized products, 128, 175–176
- customized services, 175–176
- decentralization
 - of clerical/office work, 127, 130, 132–133, 141, 198n
 - of manufacturing, 127–130, 140, 141, 146, 196n–197n, 199n
 - of ownership and control, 127, 134–135
 - territorial, 126, 141
- dependency ratio, 39, 191n
- directionality of migrations, 1, 10, 14, 23, 33, 34, 44, 49, 169–170
- disinvestment, 100–101, 131–132, 161–163, 166–168, 183, 188, 198n
- earnings classes, 142–144
- electronics industry, 18, 110–113, 114, 115, 127, 145, 149, 151, 160, 161–162, 169, 181, 197n
- emigration countries, 17, 38, 44, 48, 49, 62–65, 67, 94
 - comparison of growth with developed countries, 105–106, 121, 196n
 - economic growth in, 5, 6, 14, 94, 105, 107, 115, 119, 121–122
 - employment growth in, 5, 6, 94, 105–107, 108, 115, 119, 197n
 - exports, 67, 196–197
 - manufacturing growth in, 14, 105–107, 196n
 - main, to the United States, 13, 62–65
 - productivity growth, 105, 108, 121–122, 192n, 197n
 - value-added growth, 105, 108, 121–122
 - working- and middle-class emigration from, 67–68
- employment practices, 97, 113–114, 116
- encomienda*, 31, 190n

- export-led development, 102–105, 111
 growth of, 103, 196n–197n
- export processing zones, 2, 15, 10, 18, 34, 53, 95, 98, 111–114, 132, 174, 176, 190n, 195n, 197n
 industrial concentration in, 111–112
 list of, 123
 management and design of, 195n
 regional concentration, 15, 123
 wages in, 113
- exports
 share of gross national product, 103–105
 weight in a country, 98–99, 102–105, 196n–197n
 weight in world trade, 99, 196n–197n
- footwear industry, 110, 112, 151, 160, 162–163, 166–167, 176
- foreign investment
 broad definition used here, 19
 destination of, 3, 11, 14, 24, 101–102
 in export agriculture, 7, 98, 119
 in export manufacturing, 7, 98, 118–19, 124, 125
 growth of, 3, 14, 100–101
 industrial homework and, 117
 land ownership and, 7, 117
 LDCs access to world markets and, 19, 96
 logic of, 184
 origin of, 3, 14, 100–102
 regional concentration of, 14, 98
 weight, in a country, 99
 weight, globally, 99
- foreign policy, 6, 7, 8, 9, 19, 56
 tariff schedules, 124, 132, 133, 184, 197n
- garment industry, 110–113, 114, 133, 145, 147, 150, 151, 160, 161, 161–166, 169, 176, 196n, 197n
- geographic concentration of immigrants, 13, 66–67, 69–71, 72, 73
- global marketplace, 11, 171, 185, 186–187
- high-technology industries, 14, 126, 128, 131, 145, 147, 149, 151, 160, 161, 168, 169, 174, 200n
- homework, 23, 87, 111, 117, 127, 132, 133, 145, 150, 151, 160, 161, 162, 165, 175–176, 197n
- household, 19, 87, 88, 194n
- immigrants, by sex
 index of dissimilarity of, 78
 in manufacturing, 77–78, 87–89
 in producer services, 77
- socio-economic characteristics of, 71–72, 74–79, 85–93
- immigration policy, 6, 21, 34, 35, 38, 42, 43, 50–52, 57, 68, 78, 83, 84, 98, 118, 146, 191n, 193n
 control, 6, 45
 in different countries, 34, 35, 38, 43, 50–52, 118, 190n, 191n–192n, 193n
 enforcement of, 42–43, 191n
 fluctuations in United States, 21, 35, 84, 191n, 193n
 historical context of, 3, 34, 35, 57, 84
 restrictions, 34, 35, 48, 51–52, 193n
 role of state in, 34, 35, 36–39, 42–43, 50–52, 189
- import substitution, 102, 103
- income polarization, 142–146, 175
- industries
 advanced, 127–128, 165, 174
 backward, 16, 40, 147, 174
 declining, 10, 22, 136, 146, 147, 150, 151, 160, 167, 168, 169
 fixed assets per worker in different, 165
 growth, 21, 136, 149, 150, 167, 169
 job losses in, 12, 13, 14, 131–132, 147–149, 153, 167, 168, 169, 186, 198n
 labor costs in different, 165
 informal sector, 24, 109, 128, 129, 145, 151, 158, 168, 176
- international trade, 1, 23, 50, 133, 140, 153, 188–190, 192n, 196n–197n, 198n
- internalization of production, 2, 3, 9, 12, 17, 84, 161–162, 163, 165, 172, 186, 187
 incorporation of countries into, 3, 4, 10
 locations of, 10, 12, 17
- internationalization of servicing, 10, 126–130, 132–133, 137–141, 153–155, 186, 187, 198n–199n
- investment zones, 11, 184–185, 186, 188
 financial, 153, 154, 185
 industrial, 34, 48, 54, 98, 110, 171, 185
 new, 11, 114–115, 171–173, 175, 188, 197n, 199n
- labor, organized, 23, 39, 40, 42, 47, 83, 115, 129, 131, 145, 150, 151, 157, 161, 162, 169, 176, 188, 190n, 197n
- labor, sources for low-wage
 adult white women, 59–61
 Blacks, 56, 58, 61, 193n, 194n
 Chicanos, 56
 contract-labor, 83, 84, 191n, 195n
 Mexican contract labor, 59
 rural migrants, 56, 58–59, 83, 193n, 194n
 Puerto Ricans, 56, 58, 193n, 194n
 young white men and women, 59–61

- labor demand, 6, 11, 14, 28, 126, 127, 141, 146, 150, 151, 169, 187–188, 198n
- labor market
- differentiation in, 16, 26, 200n
 - generalization of, 17, 27, 32, 34, 36, 37, 52, 53
 - regional, 43
 - socio-economic context of, 47
- labor needs, 26, 32, 34, 35, 52, 96
- labor recruitment, 7, 57, 116, 193n
- labor shortages, 16, 26, 27, 30, 35, 41, 47, 49, 114, 176, 192n
- labor supply, 7, 21, 29, 35, 39, 44, 87, 115, 168, 169, 190n, 198n
- in centrally planned economies, 26
 - and demand, 198n
 - distinctive traits of immigrant, 37–43, 47, 186–188
 - flexibility, 40, 41, 60
 - forced, 32
