

INDEX

Within this general index there are two specialized and comprehensive sub-headings: the one is 'Works' covering Ibsen's dramatic and non-dramatic works by their English titles; the other is 'Characters', which registers the characters in those works by name in their English form. The reader who wishes to establish the Norwegian titles of the major works is referred to pp. xxi–xxvi. Alphabetization is by English dictionary conventions, i.e. 'å' is sorted as 'a', 'æ' as 'ae', 'ø' as 'o', etc.
