Without an additional license to use the contained software, this book is intended as a text and reference book, for reading purposes only. A free license for limited use of the software by the individual owner of a copy of this book who personally types one or more routines into a single computer is granted under terms described on p. xvii. See the section "License Information" (pp. xvi–xviii) for information on obtaining more general licenses at low cost.

Machine-readable media containing the software in this book, with included licenses for use on a single screen, are available from Cambridge University Press. See the order form at the back of the book, email to "orders@cup.org" (North America) or "directcustserv@cambridge.org" (rest of world), or write to Cambridge University Press, 100 Brook Hill Drive, West Nyack, NY 10994 (USA), for further information.

The software may also be downloaded, with immediate purchase of a license also possible, from the Numerical Recipes Software Web Site (<http://www.nr.com>). Unlicensed transfer of Numerical Recipes programs to any other format, or to any computer except one that is specifically licensed, is strictly prohibited. Technical questions, corrections, and requests for information should be addressed to Numerical Recipes Software, P.O. Box 380243, Cambridge, MA 02238-0243 (USA), email "info@nr.com", or fax 781 863-1739.

A catalog record for this book is available from the British Library.

Library of Congress Cataloging in Publication Data

Numerical recipes in C : the art of scientific computing / William H. Press

... [et al.]. – 2nd ed.

Includes bibliographical references (p.) and index.

ISBN 0-521-43108-5

1. Numerical analysis–Computer programs. 2. Science–Mathematics–Computer programs.

3. C (Computer program language) I. Press, William H.
