## INDEX

---

Note, that certain terms, e.g. 'registrary', 'tripos', feature in this index only when reference is made either to their definition, or to their first occurrence; others, like the colleges, are indexed only where the text refers to an event which materially affected them, not, for instance, on every mention of a Fellow of that college.

- Aberdeen, university, 59  
 Abynton, Henry, B.Mus., 18  
 Act for the Better Preservation of Peace and Good Order in the Universities of England, 112  
 Act for the Maintenance of the Colleges, 62
