Acknowledgments

A number of individuals offered helpful suggestions regarding the selection of articles for this anthology. We want to extend our gratitude to Russian critics Sergei Dobrotvorsky, Maya Turovskaya, and Alexander Timofeevsky.

We are also grateful to the translators Mikhail Khazin, Ekaterina Dobrotvorskaya, Margo Mallar, Svetlana Ustinova, and Steve McCormick, who made it possible for this book to appear in English.

Marina Drozdova, Tatyana Mushtakova, Irina Popova, Alexander Kiselev, and Pyotr Shepotinnik of various Moscow publications provided us with considerable assistance in the preparation of the introductory material. We are profoundly thankful.

In the United States:

Our deep appreciation to Nancy Ramsey, who helped inestimably in the final stages of preparing the manuscript, and to Eileen Lottman, who supported this project from its first to its final steps.

Margo Mallar, Stephanie J. Prowant, and Dawn DeFalco helped in the various stages of assembling the manuscript.
