LIST OF LETTERS

The following list is in the order of the entries in the *Calendar of the correspondence of Charles Darwin*. It includes all those letters that are listed in the *Calendar* within the date range covered by this volume of the *Correspondence*. Some letters have been redated since the publication of the *Calendar*, so this list is necessary to enable users of the *Calendar* to locate such letters in the *Correspondence*. Alongside the *Calendar* numbers are the current dates ascribed to every item. In the list, a date printed in italic type indicates that the item has been omitted from the volume entirely.

Letters included in this volume that were not available for inclusion in the *Calendar* appear at the end of the list. These letters are listed in a 'Supplement' to a new edition of the *Calendar* (Cambridge University Press, 1994). The numbers given to the new letters are those assigned in the *Calendar* Supplement; they correspond to the chronological ordering of the original listing with the addition of an alphabetical marker.
