EDITORIAL NOTE

This series of *Reports* contains the texts of Decisions, Awards, Interlocutory Awards, Awards on Agreed Terms, Refusal Cases and Selected Orders emanating from the Iran—U.S. Claims Tribunal set up under the Claims Settlement Declaration to which the Governments of Iran and the United States adhered on 19 January 1981.

The present volume contains materials dated during the period 1 June 1983 to 21 October 1983 but often not made available until later.

Decisions are rendered by the Tribunal in cases arising directly between the Governments of Iran and the United States.

Awards are rendered in respect of claims by individual claimants, as are *Interim Awards*, *Interlocutory Awards* and *Awards on Agreed Terms*. In the last instance the agreement occasioning the Award has been printed together with the Award unless the parties have requested the Tribunal to keep the agreement confidential. Purely formal documents (such as powers of attorney) which were annexed to Awards on Agreed Terms have been omitted.

Refusal Cases are ones in which there has been an appeal from a refusal by the Registrar to accept the filing of a claim.

Selected Orders are selected from the many hundreds of interlocutory orders which the Tribunal or its Chambers make at various stages of the proceedings.

All known Decisions and Awards are printed in these *Reports*. To the extent that they are made public all *Awards on Agreed Terms* are printed, as is true also of *Refusal Cases*. The choice of *Selected Orders* has been made on the basis of availability to the *Reports* and has been further limited by the exclusion of those which appear to be of only limited or transient significance.

Careful consideration has been given to the question of the extent to which it would be appropriate to edit the texts issued by the Tribunal. The conclusion has been reached that it would be better if no changes were made, even though this means that texts which appear here may occasionally look as if there have been lapses in printing. The reader is assured that special care has been taken in checking the proof.

The materials are printed in chronological order—on the basis of the dates on which they were signed. In some cases, dissenting or separate opinions have been filed by one or more Members of the Tribunal after the date of signature of the Decision, Award or Order; and in other cases, a separate or dissenting opinion may relate to more than one claim. In such situations, the order of appearance of the dissenting or separate opinion is regulated by the date of the signature

it bears. The absence of a dissenting opinion of which the existence is in some way indicated in the printed texts means only that the document has not yet been released.

Editorial footnotes are identified by the enclosure within square brackets of both the footnote indicator and the footnote itself. All other footnotes are printed as they appear in the original texts.

The Index is limited to matters dealt with in the argument of the Tribunal or Chamber in each Decision of Award or in the separate, concurring or dissenting Opinions of individual Members, and does not cover matters appearing in the facts or in the arguments of the parties.

The Index and Tables of Cases of the present volume have been consolidated with those of the earlier volumes.

If further material dated within the period covered by this volume should become available after the publication of this volume, it will be printed in the next volume of the *Reports*.
