It is illegal to reproduce any part of this work in material form (including photocopying and electronic storage) except under the following circumstances:

- (i) where you are abiding by a licence granted to your school or institution by the Copyright Licensing Agency;
- (ii) where no such licence exists, or where you wish to exceed the terms of a licence, and you have gained the written permission of Cambridge University Press;
- (iii) where you are allowed to reproduce without permission under the provisions of Chapter 3 of the Copyright, Designs and Patents Act 1988.

#### **Acknowledgment**

*I acknowledge with thanks the contribution of friends and colleagues from the Department of Obstetrics and Gynaecology at the Royal Devon and Exeter Hospital (Heavitree) who gave me the opportunity to write this book, and also that of Professor Ted Wragg of the University of Exeter for his encouragement. I would like to dedicate it to my undergraduate students, past and present, for their unfailing enthusiasm and interest in this subject.*
