Irwin, Geoffrey.  
Prehistoric exploration and colonisation of the Pacific.  
Bibliography.  
Includes index.  
1. Pacific Area—Discovery and exploration.  
I. Title.  
910.91

*Library of Congress Cataloguing in Publication data*

Irwin, Geoffrey.  
The prehistoric exploration and colonisation of the Pacific/Geoffrey Irwin.  
Includes bibliographical references and index.  
1. Navigation, Prehistoric—Pacific Area. 2. Trade routes—  
Pacific Area—Computer simulation. 3. Pacific Area—Discovery and  
exploration. 4. Pacific Area—Colonization. 5. Pacific Area—  
Antiquities. I. Title.  
GN871.178 1992  
990—dc20

*A catalogue record for this book is available from the British Library*

# CONTENTS

List of figures	vi
List of tables	viii
1. An introduction to the Pacific and the theory of its settlement	1
2. Pleistocene voyaging and the settlement of Greater Australia and its Near Oceanic neighbours	18
3. Issues in Lapita studies and the background to Oceanic colonisation	31
4. Against, across and down the wind: a case for the systematic exploration of the remote Pacific	42
5. The colonisation of Eastern Melanesia, West Polynesia and Central East Polynesia	64
6. The colonisation of Hawaii, New Zealand and their neighbours	101
7. Issues in the colonisation of Micronesia	117
8. Voyaging by computer: experiments in the exploration of the remote Pacific Ocean	133
9. Voyaging after colonisation and the study of culture change	174
10. The rediscovery of Pacific exploration	205
Bibliography	223
Index	232

## LIST OF FIGURES

1. Regions of the Pacific Ocean	5
2. The direction of Pacific colonisation	6
3. Weather systems of summer	10
4. Prevailing wind patterns of winter	10
5. Ocean currents of the Pacific and island locations	11
6. The voyaging corridor from Southeast Asia to Melanesia	19
7. Relative accessibility of islands in the voyaging corridor	20
8. Intervisibility along routes to Greater Australia	21
9. Intervisibility in the Bismarck Archipelago and Solomon Islands	22
10. Cyclone tracks around the voyaging corridor	24
11. Winds of winter in the voyaging corridor	25
12. Currents of winter in the voyaging corridor	26
13. Winds of summer in the voyaging corridor	26
14. Currents of summer in the voyaging corridor	27
15. Location of islands discussed in the text	32
16. Expanded sighting radii of Pacific islands	55
17. A survival sailing strategy	57
18. Wind patterns in Island Melanesia in February	66
19. Cyclone tracks in Island Melanesia	67
20. Island target angles in Island Melanesia	67
21. Island target angles in Fiji and West Polynesia	69
22. An 'orthodox' model of Polynesian colonisation	70
23. The expanding area of ocean on the path of colonisation	79
24. Logarithmic map of Pacific radiocarbon dating patterns	80
25. Island accessibility from Melanesia to the Southern Cook Islands	83
26. Island accessibility from West to East Polynesia	84
27. Island accessibility in East Polynesia	86
28. Accidents to canoes in East Polynesia by 'natural sampling'	87
29. A continuous settlement model for East Polynesia	88
30. A schematic view of East Polynesian settlement	88
31. The possible role of El Niño in East Polynesian colonisation	91
32. Cyclone tracks in the South Pacific Ocean	92
33. Winds of summer from Fiji to the Society Islands	93
34. Winds of summer from Mangareva to Easter Island	93
35. Winds recorded at island meteorological stations	94
36. Winds recorded at Noumea, New Caledonia	95
37. Weather systems of winter	96
38. Seasonal movement of the South Pacific Convergence Zone (SPCZ)	97
39. Arcs of upwind exploration across Oceania	99

40. Weather patterns on sea-routes to New Zealand	106
41. Winds of January in Micronesia and Melanesia	119
42. Winds of July in Micronesia and Melanesia	120
43. Simulated voyages from the Solomon Islands to Micronesia	121
44. Simulated voyages from the Reef Islands to Micronesia	122
45. Island target angles from Fiji to Micronesia	123
46. Simulated voyages from Fiji to Tuvalu	124
47. Simulated voyages to Micronesian high islands and atolls	125
48. Map of language distributions in Micronesia	129
49. Simulated voyages by Strategy 1	137
50. Simulated voyages by Strategy 2	137
51. Simulated voyages by Strategy 3	138
52. Simulated voyages by Strategy 4	139
53. Simulated voyages by Strategy 4	140
54. Simulated voyage success rates from the Solomon Islands	143
55. Simulated destinations from the Solomon Islands by Strategy 2	144
56. Simulated destinations from the Solomon Islands by Strategy 4	144
57. A comparison of survival by strategy from the Solomon Islands	146
58. Simulated voyage success rates from New Caledonia	150
59. Simulated voyage success rates from Vanuatu	150
60. Simulated voyage success rates from Tonga	154
61. Simulated voyage success rates from the Tuamotu Islands	159
62. Simulated voyage success rates to Hawaii	165
63. Simulated voyages of indirect return from Hawaii	167
64. Simulated voyages to New Zealand from New Caledonia	169
65. Simulated voyages from New Zealand to East Polynesia	170
66. Simulated voyages from New Zealand to the Chatham Islands	171
67. Island accessibility in Fiji and Polynesia	175
68. The location of the Polynesian 'mystery' islands	178
69. The location of the Polynesian Outliers	184
70. Island accessibility of the Solomon Islands and Polynesian Outliers	185
71. Island accessibility of Vanuatu and Polynesian Outliers	186
72. Island accessibility of the Caroline Islands and Polynesian Outliers	187
73. Permanent and intermittently settled islands in the Tuamotu Islands	189
74. Permanent, intermittent and empty islands in East Polynesia	190
75. Permanent, intermittent and empty islands in East Polynesia	192
76. Groups of Polynesian islands identified by accessibility	193
77. A standard model of Polynesian language relationships	195
78. A model of Polynesian biological relationships	196
79. A cluster analysis of mutual accessibility for Polynesia	198
80. A close proximity analysis of accessibility for Polynesia	198
81. A summary of simulated voyages in Island Melanesia	207
82. A comparison of simulated voyages by strategy in the Pacific	208
83. A pattern of real and predicted dates for Pacific colonisation	216

## LIST OF TABLES

1. Simulated voyages to Eastern Micronesia	121
2. Simulated voyages from the Solomon Islands	142
3. Simulated voyages from Vanuatu	148
4. Simulated voyages from New Caledonia	149
5. Simulated voyages from Samoa	152
6. Simulated voyages from Tonga	153
7. Simulated voyages from Atiu (Southern Cooks)	155
8. Simulated voyages from Raiatea (Society Islands)	157
9. Simulated voyages from the Australs	158
10. Simulated voyages from the Tuamotus	158
11. Simulated voyages from the Marquesas	161
12. Voyages from Pitcairn towards Easter Island (percentages)	162
13. Simulated voyages from Easter Island	163
14. Simulated voyages from Hawaii	166
15. Voyages from New Caledonia in July; Strategy 2; 18 days (percentages)	168
16. Voyages from Tonga in January; Strategy 2; 18 days (percentages)	168
17. Voyages from Tonga in January; Strategy 4; 18 days (percentages)	168
18. Voyages from the Southern Cooks in January; Strategy 2; 18 days (percentages)	168
19. Simulated voyages to the Chatham Islands	171
20. Random outward voyaging (percentages)	172
21. Accessibility and size of 51 East Polynesian Islands	191
22. A minimum accessibility matrix for Polynesia	197
