Sophocles: *Oedipus Tyrannus*

Sophocles' *Oedipus Tyrannus* (or *Oedipus Rex*) has exerted more influence than any other drama, ancient or modern, on the history of theatre, and this influence has extended far beyond the boundaries of the Western theatrical tradition to include African and Oriental theatre histories as well. This volume traces Sophocles' paradigmatic ancient tragedy from its first appearance on the stage in the fifth century BC to present-day productions. The afterlife of *Oedipus* has played a key role in the history of ideas, and this volume examines its centrality to the history of stage censorship and political and cultural upheaval across the centuries. More recently, the protagonist has come under close scrutiny in his association with the Oedipus of psychoanalytical theory. Macintosh demonstrates how, by following the fortunes of Sophocles' *Oedipus* on the world stage, one witnesses its intersection with and impact upon the history of theatre and the history of ideas.

FIONA MACINTOSH is Reader in Greek and Roman Drama at the Archive of Performances of Greek and Roman Drama, University of Oxford.

ACKNOWLEDGEMENTS

This book has been embarrassingly long in gestation and for this reason I have accumulated debts in very wide circles. From my time at Goldsmiths' College, University of London, I have to thank Chris Baldick, Helen Carr, David Margolies, Bill McCormack and Jerry Sokol for various kinds of encouragement. I remain indebted to many others who have patiently waited for this book and who have provided material and helpful criticism on numerous sub-chapters which have appeared elsewhere: Sarah Annes Brown, Felix Budelmann, Zachary Dunbar, Cécile Dudouyt, Pat Easterling, Barbara Goff, Simon Goldhill, Helene Foley, Isobel Hurst, Lorna Hardwick, Karelisa Hartigan, Eleftheria Ioannidou, Miriam Leonard, Michael Lurje, Marianne McDonald, Martha Oakes, Michelle Paul, Kathleen Riley, Catherine Silverstone, Michael Silk, Michael Simpson, Chris Stray, Michael Walton, David Wiles and Peter Wilson. My students in London and Oxford have contributed in countless challenging and exacting ways – I remain profoundly grateful to them. Martin Revermann very kindly read through the text at the eleventh hour. At Cambridge University Press, I have to thank Vicki Cooper and Becky Jones for their forbearance, and Tom O'Reilly and John Gaunt for their efficiency.

My greatest debt, though, is to my colleagues at the Archive of Performances of Greek and Roman Drama at the University of Oxford: to Amanda Wrigley for the research and technical support she has provided, way beyond the call of duty; to Chris Weaver, Helen Damon and Stephe Harrop for help with pictures; to Peter Brown for indispensable guidance and discussion on opera; and especially to Pantelis Michelakis and Oliver Taplin, for their much-valued

intellectual and moral support over a number of years. Edith Hall, who as co-author of another book and close friend of long standing, has heard rather too much of this material over a number of years. My deepest gratitude and debt must go to her for much good humour, incalculable insights and acumen. Finally, I have to thank my family – my husband, Jonathan Marcus and our two sons, Josh and Sam, all of whom have heard far too much about Oedipus.

NOTE ON EDITIONS AND TRANSLATIONS

Sophocles' tragedy is referred to throughout the text as *Oedipus Tyrannus*, as opposed to the rather nineteenth-century, honorific title, *Oedipus the King*. Indeed, many of the twentieth- and twenty-first-century versions under discussion in this volume drop the epithet 'King'/'Rex' altogether as they fashion a post-Freudian/Arthur Milleresque, Everyman/Ordinary Man, Oedipus. The ancient Greek term *tyrannos* – meaning the non-hereditary ruler who has come to the throne by force and not by birthright – carries with it on occasions the modern connotations of the word 'tyrant'. The ambiguity in the Sophoclean title is also an important factor in various adaptations; and for this reason, it has been maintained here, even if the other titles – *Oedipus the King* or *Oedipus Rex* – are more familiar to many readers.

All translations are my own unless otherwise stated, and all abbreviations of ancient sources are taken from the *Oxford Classical Dictionary* (3rd edition, Oxford 1996).

PRODUCTIONS

The productions listed here are those discussed in this volume, and with their première dates only (revivals have not been listed). For a comprehensive listing, go to the online database of the Archive of Performances of Greek and Roman Drama, University of Oxford (www.apgrd.ox.ac.uk, edited and maintained by Amanda Wrigley).

- 467 BC Aeschylus, *Oedipus* (wins first prize with *Laius, Seven against Thebes, Sphinx* [satyr play]) at the Festival of Dionysus in Athens
- 430–425? Sophocles, *Oedipus Tyrannus* at the Festival of Dionysus in Athens
- 409–407 Euripides, *Phonoecian Women* at the Festival of Dionysus in Athens
- 408–401 Euripides, *Oedipus* at the Festival of Dionysus in Athens
- 401 Sophocles, *Oedipus at Colonus* posthumously produced by Sophocles' grandson, also called Sophocles, at the Festival of Dionysus in Athens
- c. AD 41–9 Seneca's *Oedipus*
- 64–8 Emperor Nero regularly performs the role of Oedipus
- 1559–60 Seneca's *Oedipus*, in a translation by Alexander Neville, performed at Trinity College, Cambridge
- 1585 *Edipo Tiranno*, directed by Angelo Ingegneri in a translation by Orsatto Giustiniani, with music by Andrea Gabrieli, performed at Teatro Olimpico, Vicenza

xiv *List of productions*

- 1659 Pierre Corneille's *Oedipe*, Hôtel de Bourgogne, Paris
