

INDEX

- Abbas I, 48
 Africa. *See individual countries*
 Africans. *See* British Empire; South Africa; Southern Rhodesia
African Survey (Hailey), 148, 176, 222–24, 227–28, 229
 Agramonte, Aristides, 41, 43
 Ali, Muhammad, 46–47, 48
 Alves, William, 287
 American Academy of Tropical Medicine, 146, 153, 251, 252
 American empire: administration of, 31; difference from British Empire, 31–33, 294, 296–7; Good Neighbor Policy of, 153–54; policies of, 32–33, 37, 38, 39, 151, 152, 294, 296; tropical medicine in, 35–36, 116–17, 153, 154, 250–53, 294
 American Foundation of Tropical Medicine, 146–47, 153, 154, 157, 251, 253
 American Institute of the Biological Sciences, 251
 American Society of Parasitology, 250
 American Society of Tropical Medicine, 43, 145–46, 153, 157, 170, 251; Committee on War and Postwar Problems of, 251, 255
 American Society of Tropical Medicine and Hygiene, 251, 252
 American South: diseases in, 33–34; hookworm in, 72–74; medical schools in, 33–34; as model for South Africa, 131–32
 antimony tartrate. *See* drugs, antibilharzial
 Ashford, Bailey, 39–40, 72, 73, 152
 Aswan Dam, 51, 199, 267, 299
 Atkinson, Lt. Edward, 66–67
 Australia, troops of, in World War II, 158, 168
 Azim, Abdel, 191

 bacteriology: in Britain, 25–29; in United States, 35–36
 Balfour, Marshall, 198
 Bang, F. C., 161, 162, 250
 Baring, Evelyn, 51
 Barker, L. F., 42
 Barlow, Claude, 102, 104f, 264, 267; in China, 102–3, 193; in Egypt, 105–6, 108–11, 112f, 113, 188–91, 193; self-infection of, 104, 258–59
 Basch, Paul, 213–14
 Bayer and Co., 99, 286, 289
 Bayer 73 (Bayluscide), 272, 279, 281, 284
 Bechuanaland, 145
 beriberi, 42
 Bevan, Ernest, 145, 265
 Bilharz, Theodor, 5, 48f, 49, 50, 54, 55, 57, 60
 bilharzia: academic research on, 124, 301, 324n23; acute form of, 165, 167, 247; “break point” of, 285–86, 303; diagnosis of, 167–68, 284; distribution of, 3, 6, 7f, 54, 264; early views about, 54; epidemiology of, 8–10; etiology of, 3, 5–6; importance of, 3, 115, 157–59, 169–70, 232, 249, 250, 255, 266t, 274, 275t, 294, 300–1; incidence of, 281, 283, 286, 303; irrigation and, 47, 51, 114–15, 121–24, 199, 244, 246, 261, 263t, 262–65, 274, 298; morbidity of, 299–300, 303; naming of, 5, 62; pathology of, 6, 8, 54, 165, 167, 244, 246–47, 278–79, 301; prevalence of, 6, 255, 256t; skin-infection theory of, 59–60, 61, 63, 64, 66, 67, 69; *see also* schistosomes
 –campaigns against. *See* Brazil; British Empire; China; Cyprus; Egypt; Gambia; Ghana (Gold Coast); Japan; Mozambique; Nigeria; North America; Nyasaland; Philippines; Puerto Rico; St. Lucia; South Africa; Southern Rhodesia; Sudan; Tanganyika (Tanzania); Uganda; West Indies; World War I; World War II
 –prevention of, 70–1, 269, 270, 296, 303; by canal clearance, 70, 109–10, 111, 112f, 113, 189, 191; by community participation, 303–4; by drying, 70, 109; by prophylactic drugs, 247, 288; by sanitation, 102, 106–8; by uniform impregnation, 164f, 165; *see also* molluscicides
 –therapeutics for. *See* drugs, antibilharzial
 Blackett, B., 145
 Blackie, William, 135, 136
 Blair, D. M., 264, 287
 Boer War, bilharzia in, 4
 Bradley, David, 277, 278f, 279, 302
 Brazil, bilharzia in, 58
 Brewer, Isaac, 125
 British Army, diseases of, 13, 64, 158
 –medical schools: Chatham, 21; Millbank, 21, 27, 68; Netley, 20, 21, 22f, 27, 308n23
 British Empire, 15–16, 16f, 274; bilharzia in, 232t, 265–66, 266t, 274, 275t, 277; criticisms of, 147; educational commissions of, 224, 225–27; expenditure of, 141–2, 143, 145, 274, 275t; medical policies of, 17–18, 35, 145, 175–78, 219, 293–94, 296, 297; research in, 227–28, 230; *see also* Colonial Office; South Africa; Southern Rhodesia; *and individual countries*

354 *Index*British Empire (*continued*)

- Africans in: as carriers of disease, 18; education of, 219–20, 221, 224; health of, 18, 176–77, 177t; in London School of Hygiene and Tropical Medicine, 227–228f; malnutrition in, 176, 178, 259; medical schools for, 224–26; medical training for, 220–7, 296; nationalist organizations of, 222; as physicians, 220, 222, 224, 225; as researchers, 229; universities for, 224–25
- policies of, 17, 20, 31, 144; colonial development, 143–5, 147, 150, 225, 231; dual mandate, 19, 147; indirect rule, 19–20, 149, 222; self-sufficiency, 20, 75, 148, 149, 150; trusteeship, 18–19, 143, 144, 149, 222
- British South Africa Company, 16
- Brown, Gage, 20
- Burgess, Perry, 146
- Burton, E. D., 90
- Buttrick, Wallace, 90

- California, University of, 130
- Carroll, James, 41, 43
- Carter, W. S., 133
- Castellani, Aldo, 128
- Catto, J., 61
- Chamberlain, Joseph, 13, 17, 20, 23
- Chamberlain, Neville, 88
- Chandler, A. C., 100, 191
- Ch'ien Hsin-chung, 206
- China, 89–90, 93
- bilharzia in, 64, 66, 202f; and American Schistosomiasis Delegation, 214; Chinese army and, 201; control of, 96; distribution of, 96, 201; elimination of, 96, 204, 206, 209, 210, 211, 213–4; mass campaigns against, 204–9, 207f, 208f, 209f, 211, 213; military importance of, 159; and Nine-Man Subcommittee on Schistosomiasis, 204, 210, 211; prevalence of, 201, 214
- health care in: and All-China Conference on Parasitic Diseases, 209–10; and campaign against four pests, 210; Communist Party control over, 203–5, 210–11, 212; during Cultural Revolution, 211; First National Conference on, 203, 205; during Great Leap Forward, 205; role of medical profession in, 201–4, 210, 211, 212–13; traditional medicine in, 203, 204, 205; workers for, 205–6, 211, 212, 213
- Schistosoma japonicum*: reservoir hosts of, 9–10, 64, 96, 201, 214; snail hosts of, discovery of, 89, 95–96
- Ch'ing-shih, 204
- cholera, 37
- climate, tropical: as cause of disease, 14, 291–92; effect on health, 15
- Colonial Office, 2, 3, 15, 17, 20–21, 23, 75; colonial research scholarships of, 274–276; expenditure of, 142t, 230, 265–66, 266t, 275t, 287; medical priorities of, 232t, 249, 250, 275t; medical service of, 230–31; research service of, 229, 231–32; *see also* British Empire
- acts: first Colonial Development Act (1929), 143–45; Colonial Development and Welfare Acts (1940), 150–51, 225; (1945), 225, 230–31; (1950), 225, 265–66
- committees: Advisory Board of the Tropical Disease Research Fund, 52, 63, 64, 65; Advisory Committee on Native Education, 224–7; Colonial Advisory Medical Committee, 230; Colonial Development Advisory Committee, 144; Colonial Development and Welfare Advisory Committee, 150, 230; Colonial Medical Research Committee, 230, 231, 232t, 249, 250, 265, 274; Colonial Research Advisory Committee, 150, 230; Helminth Subcommittee, 265, 266, 274–75; Hookworm Committee, 76, 98; Mollusc-Borne Diseases Subcommittee, 277
- Columbia University, 83
- copper sulfate, 97, 100–1, 108f–9, 123, 163, 164, 189, 191, 204, 269–70, 287
- Cort, W. W., 85f, 86–87, 95, 102, 104, 105, 110, 162
- Coupland, Reginald, 148
- Cowper, S. G., 287
- Craig, Col. Charles, 35
- Cram, Eloise, 257–58
- Creech-Jones, A., 150, 230, 265
- Crookshank, E., 27
- Cuba, 36, 43–44; yellow fever in, 35, 36, 38, 41–42, 44
- Cuyamel Company, 155
- Cyprus, bilharzia in, 64, 108

- Da Silva, Piraja, 58, 59
- DDT, 163, 204, 260, 287, 300
- desertification, 298–99
- diseases, tropical: nature of, 14–15, 28–29, 173–74, 175–78, 291–92, 301–2; as threat to U.S. mainland, 34, 256–57, 294
- drugs, antibilharzial
- antimony tartrate (tartar emetic): dosages of, 98; mode of action of, 165, 166f; problems with, 97, 98–99; slow injection of, 287; sterilization treatment with, 287; use of, 97, 98, 106, 123, 161, 165, 204, 205–6, 268, 286
- Chinese herbs, 204–5
- Fouadin: problems with, 197; use of, 99–100, 101, 165, 197
- Miracil D: discovery of, 286; side-effects of, 246, 288; testing of, 287; use of, 287

- niridazole, 289
 -oxamniquine, 289
 -praziquantel, 289, 304
 Dunham, George, 154
 Dupaquier, Edouard, 34
 dysentery, 36, 42
