Acknowledgements

The dedication of this book records a debt of gratitude which all students of *The Divine Comedy* now share; only I know how small a return I am able to make here for the kindness and advice I have enjoyed. I am very grateful to the editor of this series, Peter Stern, and to Terry Moore of the Cambridge University Press, especially for their tactful assistance in my attempts to reconcile concision and clarity.

I thank Yeshe Zangmo for her intervention at many fraught moments in the preparation of the typescript. Above all, I thank my wife, Wai Heung, for mediating with the utmost care between the demands of Dante, author, Press and Computer.
