Scirpus 144, 317, 324
S. dioecus 482
S. falsus 221
S. inanis 482
S. nodosus 313, 316
Sclerocarya 74
S. birrea (marula) 264, 266, 269, 410,
486
human use of 474, 485, 494, 495,
497
beer 478, 490, 492, 493
as food source 479
oil from 491
yield 476
Scolopia mundii 281
Scrophulariaceae 48, 49, 74, 103
species endemism 50, 53, 54
succulent karoo 145
as weeds 544
scrub hare (*Lepus saxatilis*) 401
Scutia myrtina 282, 309
sea lavender *see Limonium*
sea urchin *see Parechinus angulosus*
Sebaea sedoides 221
Secamone 486
Securidaca longepedunculata 264
seed ferns 63, 65–6
Selaginaceae 48, 49, 50, 144
Selago 48, 144
S. galpinii 221
Senecio 48, 135, 142, 413
S. cardaminifolius 196

S. coronatus 220
S. elegans 306
S. erubescens 220
S. retrorsus 234
S. serratuloides 486
S. venosus 220
Senna (formerly *Cassia*) 544
S. didymobotrya 541, 565
Septulina 145
Sericocoma avolans 177
Serinus leucopterus 411
serrated tortoise (*Psammobates oculifer*)
409
Sesbania punicea 538, 541, 548, 554, 565
control of 558, 561
Sesuvium sesuvioides 197, 482
Setaria 264, 265
S. incrassata 220, 233, 263
S. lindenbergiana 219
S. megaphylla 231
S. nigrirostris 219, 220
S. sphacelata 219, 222, 229, 238
seven-weeks fern *see Rumohra*
sheep 399, 409
diet 156, 405, 406
grazing pressure 402, 412, 523, 525
introduction of 159
Sideroxylon 317
S. inerme 282, 287, 288, 293, 309, 313,
316, 378, 486
Silene viscosa 205
Sisyndite 135
S. spartea 197, 200, 201
Solanaceae 145, 543–4
Solanum 544
S. elaeagnifolium 541, 566
