## CONTEMPORARY ARTISTS AND THEIR CRITICS

SERIES EDITOR

ADVISORY BOARD

Matthew Baigell, *Rutgers University*

Richard Hertz, *Art Center College of Design, Pasadena*

Udo Kulturmann, *Washington University, Emeritus*

Judith Russi Kirshner, *University of Illinois, Chicago*

This series presents a broad range of writings on contemporary art by some of the most astute critics at work today. Combining the methods of art criticism and art history, their essays, published here in anthologized form, are at once scholarly and timely, analytic and evaluative, a record and critique of art events. Books in this series are on the “cutting edge” of thinking about contemporary art. Deliberately pluralistic in approach, the series represents a wide variety of approaches. Collectively, books published in this series will deal with the complexity of contemporary art from a wide perspective, in terms of both point of view and writing.
