## INDEX

- Abel, John Jacob, 349  
 Abel, Othenio, 194, 196–7  
 Abir-Am, Pnina, 338n51, 338n53, 366n49  
 abolitionism, and antivivisectionist movement, 588  
 abortion, and embryology, 288, 290, 297, 313–14, 315  
 Académie de Médecine (Paris), 355  
 Académie Royale des Sciences (Belgium), 31  
 Academy of Natural Sciences (Philadelphia), 16, 68, 203  
 Achilladelis, Basil, 126n1  
 Ackerknecht, Erwin, 143, 371, 374n22  
 Acot, Pascal, 452n8  
 acquired immune deficiency syndrome (AIDS), 158, 481  
 Adams, Roger, 134  
 adaptation: and the argument from design, 548–50, 554–5; bacterial, 336–7; in the fossil record, 196; Lyell's principle of, 251, 253–4; and natural selection, 199. *See also* Darwinism; ecology  
 Adelman, George, 521n41  
 Adolf Study (1945), 359  
 affinity, and *Naturphilosophie*, 209  
 Agassiz, Alexander, 69, 70, 73, 83, 87–8  
 Agassiz, Louis, 66, 68–9, 73, 86, 178, 187, 194, 200, 202, 214, 252, 272  
 age, of earth, 179–80  
 Agricultural College of Berlin, 237  
 Agricultural Research Council (U.S.), 239  
 agriculture: and academicization of natural history in nineteenth century, 25; and field stations, 87; and genetic research, 447; and microbiology, 334–5; and patronage for life sciences, 97–100, 103–44  
 agrochemistry, 456  
 AIDS. *See* acquired immune deficiency syndrome  
 Aikin, Arthur, 118  
 air pollution, 156, 158, 162, 612  
 Airy, George, 48, 398  
 Akeley, Carl E., 71, 74, 632  
 Albert I, Prince (Monaco), 83, 88  
 Aldrovandi, Ulisse, 61  
 Alexander, Annie M., 74  
 Alexandrov, Daniel, 88n29  
 Alison, William Poulteney, 144  
 Alkali Act (Britain 1863), 607  
 alkaloids, and pharmaceutical industry, 127–8  
 Allee, Walter Clyde, 223, 612  
 Allègre, Claude, 395n2  
 Allen, Joel Asaph, 70  
 Allwardt, Alan, 390n12, 392n16  
 Alvarez, Walter, 199  
 amateurs, in science: and botany in nineteenth century, 225–6; categorization of, 18–21; and conservation movement, 33; contributions of to science in nineteenth century, 624; and culture of collecting, 21–3; and relationship between religion and science, 552  
 Ambrose, Stephen E., 80n9  
 Ameghino, Florentino, 201  
 American Academy of Natural Sciences (Philadelphia), 80n10  
 American Association for the Advancement of Science, 345  
 American Association of Geologists and Naturalists, 18, 81  
 American Association of Petroleum Geologists (AAPG), 122–3, 182  
 American Breeders Association, 99  
 American Cancer Society, 493–4, 498, 501  
*American Journal of Bacteriology*, 331
