 Acosta, José de, 115–16
 Adams, Barbara, 502
 Adams, E. W., 572
 Adams, Robert McC., 352–3, 379, 402, 413
 Adams, William Y., 298, 568, 572
 adaptive systems, cultures as, 398
 Adena culture (U.S.), 159–63
 Adorno, Theodor, 445
 aerial photography, 317, 556, 573
 Africa: decolonization since 1960s and changes in archaeology of, 275–6; postprocessual archaeology and Hodder's research in, 452–3; and racism in evolutionary archaeology, 195–207; resources on development of archaeology in, 554, 567, 571. *See also* Great Zimbabwe; South Africa
 African-Americans, and historical archaeology, 515
 African burial ground site (New York), 515
 Afrikaaners, 197, 203
 Agassiz, Louis, 169
 agency, and postprocessual archaeology, 468–70
 Agricola, Georgius, 93
 agriculture: development of in Africa, 206; and economic approaches to functional-processual archaeology, 323; and environmental functional-processualism, 318–9; and hunter-gatherers, 533, 534; and New Archaeology, 411; oasis theory of, 12, 317. *See also* irrigation systems
 Alberti, B., 571, 580
 Alberti, Leon Battista, 54
 Albright, William F., 272, 375
 Alcock, S. E., 560
 Aldrovandi, Ulisse, 93
 Alexander VI, Pope, 55
 Algonquian speaking peoples, 183, 285, 475
 Allen, H., 567
 Allen, J., 569
 Allen, Susan, 558
 Allesbrook, M., 558, 561
 Alpert, H., 573
 Altamira (Spain), 155
 alternative interpretations, and multiple working hypotheses, 514–15
 Althusser, Louis, 444, 467, 469
 Amarna (Egypt), 502
 American Anthropological Association, 393, 449, 549–50
 American Antiquarian Society, 161
 American Philosophical Society, 161
 American Revolution, and Enlightenment, 177
 An, Z., 570
 analogies: and Clark on ethnography, 357; and direct historical approach, 511, 516; and New Archaeology, 416–17; and theory in culture-historical archaeology, 307–8. *See also* ethnography; homologies
 analytical theory, 432
 Anau (Turkmenistan), 234, 317
 Andah, Bassy, 275, 511, 567, 571
 Andersen, Knud, 358
 Anderson, B., 568
 Andersson, J. G., 265, 266
 Andrén, A., 556
 androcentrism, and gender archaeology, 459
 animals. *See* domestication; extinct mammals; faunal remains; fossils; zooarchaeology
 Annales School, 478
 Annapolis (Maryland), 515
 anthologies, of papers on history of archaeology, 559
 anthropology: cultural evolution in American of 1950s and 1960s, 387; and culture-historical archaeology in Germany, 235; diffusionism and Viennese school of, 219; and education of prehistoric archaeologists, 22; and future of archaeology, 538–9. *See also* cultural anthropology; ethnography; ethnology; physical anthropology;

Index

- anthropology (*cont.*)
 psychological anthropology; social anthropology; sociocultural anthropology
- anthropomorphizing, and biological archaeology, 492–3
- antiquarianism: ancient Egyptian and Mesopotamian interest in past and, 44; in Arab world, 77; bibliographical resources on, 557, 562–3; and classical archaeology, 80; and early archaeology in Japan, 76; and evolutionary archaeology, 209; impasse of in late 18th and early 19th centuries, 118–20; in India, 77; in northern Europe, 81–92; and prehistoric archaeology, 80, 135; and Renaissance, 52–61; and romanticism, 110–14; scientific, 106–10; and stone tools, 92–7
