   Exchanges and partitions  48
   Transactions involving interests under trusts  51
Contents

Transactions with an overseas element and the territorial scope of SDLT 57

4 Calculating the liability to SDLT 59
   Introduction 59
   Identifying the chargeable consideration 59
   Valuing the chargeable consideration 63
   Exempt consideration 79
   Transfers to connected companies deemed to take place at market value 82
   Calculating the amount of tax chargeable 85

5 Exemptions and reliefs 98
   Introduction 98
   Transactions exempted under Schedule 3 99
   Other exemptions and reliefs 106

6 SDLT and leases 144
   Introduction 144
   Overview of the tax charges on leases 144
   Enactment of the SDLT leases regime 145
   Calculating the tax charge on the grant of a lease at a premium 146
   Calculating the charge to SDLT on the grant of a lease at a rent 147
   Further tax charges that may arise during the life of a lease 157
   Holdovers, extensions, renewals and surrender and regrants of leases 160
   Surrenders, assignments and variations of leases 167
   Variation of Scotland 172
   Agreement for lease 173
   Scottish missives of let 174

7 Partnerships 179
   Introduction 179
   The application of SDLT to partnerships 179
   The special charging regime for partnerships 181
   Transfer of land to a partnership by a partner 182
   Transfer of a partnership interest 199
   Withdrawal of money from partnership within three years of transfer of land to partnership 216
   Transfer of a land from a partnership to a partner 216
   Application of SDLT exemptions and reliefs to transactions involving partnerships chargeable under Part 3 Schedule 15 227
8 Structuring transactions and planning

Introduction

Modern tax planning: SDLT planning compared to stamp duty planning

Interpreting tax legislation and the approach of the courts to tax planning: the Ramsay line of authorities

The application of Ramsay to SDLT

Principles of planning

Suggested SDLT planning techniques

Keep outside the charge to SDLT

Keep the transaction within the stamp duty regime

Get within a relief or exemption

Planning through partnerships

Reducing or postponing the tax charge

Planning for developers: joint venture structures

Planning involving leases

Avoiding potential pitfalls

The interaction of SDLT and planning for other taxes

The impact of the SDLT disclosure regime and other likely future developments

9 Administration, compliance and appeals

Introduction

Duty to deliver land transaction return and pay tax within thirty days

Duty to keep records

Determination by HMRC if no return delivered

Procedure following submission of a return

Relief against overpayments

Requirement to register land transactions and certificates of compliance

Liability to pay tax

HMRC’s information-gathering powers

Application of SDLT to special categories of taxpayer

Appeals

The SDLT disclosure rules
