PREFACE

A translation of these letters has been published in the Penguin Classics series (*Cicero's letters to friends*, vol. II, 1978). Unlike my translations of the the rest of the correspondence, this was made before I began work on the edition. Discrepancies are mostly due to second thoughts.

Once again I have to thank Professor C. O. Brink for reading and helpfully commenting on the work in typescript and the Cambridge University Press for devoted labour lavished on this volume and its nine predecessors. Also I am again indebted to the Department of the Classics in Harvard for some financial support.
