JUSTICE FOR HERE AND NOW

This book conveys the breadth and interconnectedness of questions of justice – a rarity in contemporary moral and political philosophy. James P. Sterba argues that a minimal notion of rationality requires morality, and that a minimal libertarian morality requires the welfare and equal opportunity endorsed by welfare liberals and the equality endorsed by socialists, as well as a full feminist agenda. Feminist justice, racial justice, homosexual justice, and multicultural justice are also shown to be mutually supporting. The author further shows the compatibility between anthropocentric and biocentric environmental ethics, as between just war and pacifist theories. Finally, he spells out when normal politics, legal protest, civil disobedience, revolutionary action, and criminal disobedience are morally permitted by justice for here and now.

This highly original and potentially controversial book is ideal for courses in moral and political philosophy, applied ethics, women's studies, environmental studies, and peace studies.

James P. Sterba is Professor of Philosophy at the University of Notre Dame. In addition to *Justice for Here and Now*, he has published 15 books.

Acknowledgments

This is my fourth book on justice. Earlier books, *The Demands of Justice* (1980), *How to Make People Just* (1988), and *Contemporary Social and Political Philosophy* (1995) all served as important stepping stones and building blocks for *Justice for Here and Now*. Yet while books cannot be thanked for making a work possible, there are many people whose help at various stages in writing the chapters of this book I am most happy to acknowledge. In particular, I would like to thank William Aiken, Timo Airaksinen, Robin Attfield, Robert Audi, Kurt Baier, Seyla Benhabib, Deryck Beyleveld, Laurence Bove, Joseph Boyle, Dan Brock, Bruce Brower, Duane Cady, Baird Callicott, Sheldon Cohen, John Cooper, Peter Dalton, Kendall D'Andrade, Stephen Darwall, Richard DeGeorge, Michael DePaul, Thomas Donaldson, Wendy Donner, Gerald Doppelt, Jay Drydyk, David Duquette, Elaine Englehardt, Jan Ester, James Fishkin, Barry Gan, Bernard Gert, Alan Gewirth, Teresa Ghilarducci, Robert Goodland, Haim Gordon, Carol Gould, Eugene Hargrove, Sue Headlee, Virginia Held, Alan Holland, Robert Holmes, John Hospers, Alison Jaggar, Zhong Jiadong, Robert Johansen, Alasdair MacIntyre, Eric Mack, Andrew McLaughlin, Maria Maimonova, Harlon Miller, Phillip Montague, Ronald Moore, Janice Moulton, Jan Narveson, Bryan Norton, Sharon O'Brien, David O'Connor, Ernest Partridge, Rodney Peffer, Robert Phillips, Alvin Plantinga, Val Plumwood, Phillip Quinn, Douglas Rasmussen, Tom Regan, Jeffrey Reiman, Eric Reitan, Bernard Rollin, Mary Roso, Juris Rozenvalds, Ronald Santoni, Kenneth Sayre, George Schedler, Jerome Schneewind, Sally Scholz, Jonathan Schonsheck, Ofelia Schutte, Matthew Silliman, Paula Smithka, David Solomon, Brian Stevenson, Paul Taylor, Rosemarie Tong, Aviezer Tucker, John Wagner, Karen Warren, Paul Weithman, Carl Wellman, Peter Wenz, Richard Werner, Laura Westra, and Xia-Long Xin for their helpful comments. I would also like to thank the editors of *Ethics*, *Social Theory and Practice*, the *Journal of Social Philosophy*, Rowman and Littlefield, and Wadsworth Publish-

Acknowledgments

ing Company for permission to draw on previously published work, and the Institute for Scholarship in the Liberal Arts at the University of Notre Dame for financial support. At Cambridge University Press, Terence Moore, Executive Humanities Editor, and Douglas MacLean, Series Editor, contributed in so many ways to make this book possible, and Janis Bolster and Barbara Folsom did an excellent job getting the book in final form.
