Baijia characterization, 150, 152f
Baijia–Dadiwan culture, 124f, 150, 151f, 152f
See also Dadiwan
Baiyinchanghan
caracterization of, 129, 131f
pig domestication, 100–101, 130–132
ritual activities with figurations, 111f, 132
subsistence economy, 174–176, 176f, 177
Banpo, 111–115, 401
Banshan, 216f, 233–234
Baodun culture
chronology, 216t
site characterization, 215f, 216f, 246
Bashidang
caracterization of, 154, 157f
rice cultivation in, 76–77
sedentism in, 104–165
soybean cultivation in, 87
Beifu
characterization of, 134–135, 135f, 136f, 136, 137f, 138
material remains classification, 136–137, 165
pottery, 138
ritual activity, social complexity in, 167
sedentism, 137–138
Beiwutun, 401
Beixin culture, 181f, 184, 185f
Bellwood, Peter, 248–249
Bettinger, R., 44–45
Betula, 44
Bianbiandong, 56–57
Bianxianwang, 217–218
Binford, L. R., 45
Black, Davidison, 4

Bronze Age

cattle domestication, 107–108
Central Asian, Eurasian steppe cultures
exploration, 345–346
horse domestication, 111–115, 401
metallurgy, 345–346
mobility, 346
Northern Zone bronze cultural complex (See
Northern Zone bronze cultural complex)
pastoralism, 346
political expansion, Central Plains states,
346–347
sheep domestication, 105
social complexity development, 347–349
soybean cultivation in, 87, 88–90
water buffalo domestication, 110

Xinjiang (See Xinjiang)

Burials

of dogs, 98
Donghulin site, 53f, 54
Ganguya, 334–335
Haochuan, 242
of horses, 112, 114
horse sculptures in, 359f, 383f, 386
Jiahu (See Jiahu)
Jingjie, 381–383, 383f, 387
Late Shang dynasty (See Late Shang dynasty)

Longgangsi, 194–195
Nühelihan site, 178, 179f
of pigs, 101–102
Qàwrighul cemetery, 337–338, 339f
Qianzhangda (See Qianzhangda)
Qiaobei, 383–384, 401
Qijia culture (See Qijia culture)
shamanistic, 196, 197f
Siba culture (See Siba culture)
Songze culture, 203–204
Tiebian River cemetery, 337–338, 339f
veneration of dead, 189f, 194–196
Xishuipo, 196, 197f
Yangshan, 233, 235f
Yinxu (See Yinxu)
Zhudingyuan, 192–193

Cangyuan rock art, 110
Canaos, 160
Caoxieshan, 82
Castranopis, 61
Chang, K. C., 80, 210, 248–249, 392–394
Chengbeixi culture, 153f, 156

Chengtoushan
burials, 199–200
rice cultivation in, 82
social complexity development, 170f,
198–200, 201f
subsistence economy, 200

Chengziya
horse domestication, 401
salt making, 217–218
site characterization, 275–276

Chenopodiaceae, 52

China
Chineseness interpretation, 392–394
civilization, cultural identity formation,
396–397
climate changes in, 30–31, 31f, 32
North (See North China)
outside world interactions, 394–396
South (See South China)

Cishan
colorization of, 133, 135f, 138
chicken domestication, 115–116
dog domestication, 98
millet domestication, 84, 133
pig domestication, 99–100, 100f, 101f
sedentism in, 134
subsistence economy, 133–134

Cishan–Beifudi culture
Beifudi site (See Beifudi)
colorization of, 124f, 133

Civilization origins
multiregional development model (quxi leixing
concept), 14, 16–17, 246–247
national history reconstruction in, 17–19
overview, 15–16
prehistoric development, 22–24

Complex societies (Bronze Age), 347–349,
398

Complex societies (late Neolithic)
chronology, 216
