Effective vocabulary learning
1 Learning vocabulary – general advice: What do you need to learn? What does learning a new word mean? Can you learn just by reading or listening to English? How are you going to plan your learning?
2 Learning vocabulary – aids to learning bubble diagram, word fork
3 Organising a vocabulary notebook tree diagram, word-class
4 The names of English language words adjective, syllable, collocation
5 Using your dictionary usage, synonym, pronunciation
6 Revising vocabulary active and receptive vocabulary, fix in your memory
7 Guessing and explaining meaning context, clues, it’s a bit like

Word formation
8 Suffixes -er, -or, -ness
9 Prefixes in-, ex-, mis-
10 Roots -spect-, -port-, -vert-
11 Abstract nouns excitement, generosity, wisdom
12 Compound adjectives air-conditioned, off-peak, sugar-free
13 Compound nouns (1) noun + noun baby-sitter, sunglasses, junk mail
14 Compound nouns (2) verb + preposition cutback, turnover, outlook
15 Words from other languages ballerina, yoghurt, judo
16 Abbreviations and acronyms UN, ID, fridge
17 New words in English video jockey, surfing the net, shopaholic

Words and pronunciation
18 Words commonly mispronounced doubt, hiccup, sword
19 Onomatopoeic words clink, tinkle, splash
20 Homonyms wait, weight; row /rɔː/ and row /rəʊ/

Connecting and linking words
21 Time as soon as, while, afterwards
22 Condition unless, provided that, no matter
23 Cause, reason, purpose and result gave rise to, with the aim of
24 Concession and contrast although, admittedly, on the other hand
25 Addition in addition, likewise, as well as
26 Text-referring words situation, aspect, issue
27 Discourse markers in speech well, let me see, hang on
28 Discourse markers in writing firstly, in conclusion

Countables and uncountables
29 Uncountable nouns travel, luggage, knowledge
30 Words that only occur in the plural headquarters, binoculars, scissors
31 Countable and uncountable nouns with different meanings  
   a glass, glass; a hair, hair
32 Collective nouns  crown, flock, range
33 Making uncountable nouns countable  
   a bit of advice, a flash of lightning, some spots of rain
34 Containers and contents  
   a tube of toothpaste, a jar of jam, a box of matches

Topics
35 Countries, nationalities and languages  Brazil, Japanese, Arabic
36 The weather  drought, stifling, chilly
37 Describing people: appearance  wavy hair, freckles, plump
38 Describing people: character  down-to-earth, broad-minded, eccentric
39 Relationships  colleague, acquaintance, to fancy someone
40 At home  bungalow, attic, table mat
41 Everyday problems  power cut, to leak, stained
42 Global problems  to erupt, injured, earthquake
43 Education  degree, tutorial, to pass an exam
44 Work  union representative, redundant, shift work
45 Sport  billiards, high jump, fencing
46 The arts  sculpture, novel, performance
47 Music  track, hit, backing
48 Food  aubergine, spicy, bake
49 The environment  island, glacier, polluted
50 Towns  art gallery, traffic jam, population
51 The natural world  nest, hedgehog, harvest
52 Clothes  cardigan, collar, striped
53 Health and medicine  sore throat, prescribe, tablets
54 Travel  ferry, overtake, supersonic
55 Holidays  timeshare, sightseeing, breath-taking
56 Numbers and shapes  triangle, sphere, odd and even
57 Science and technology  mobile phone, microwave, genetic engineering
58 Computers and the Internet  modem, surf the Web
59 The press and the media  tabloid, aerial, soap opera
60 Politics and public institutions  independence, House of Commons, elect
61 Crime  burglary, blackmail, verdict
62 Money – buying, selling and paying  earn, current account, overdrawn

Feelings and actions
63 Belief and opinion  maintain, point of view, intellectual
64 Pleasant and unpleasant feelings  grateful, frustration, worrying
65 Like, dislike and desire  adore, loathe, devoted
66 Speaking  whisper, grumble, guilty
67 The six senses  glance, fragrant, telepathy
68 What your body does  yawn, snore, chew

Basic concepts
69 Number, quantity, degree and intensity  considerable, a great deal, dozens of
70 Time  for the time being, temporary, to last
71 Distances and dimensions  length, faraway, stretch
72 Obligation, need, possibility and probability  compulsory, exempt, shortage
73 Sound and light  racket, twinkle, sombre
74 Possession, giving and lending  estate, property, allocate
75 Movement and speed  flutter, crawl, rate
76 Texture, brightness, weight and density  prickly, dazzling, hollow
77 Success, failure and difficulty  manage, compromise, cope

Idiomatic expressions
78 Idioms and fixed expressions – general  under the weather, to have seen better days
79 Everyday expressions  come to think of it, that's that, as far as I'm concerned
80 Similes  as good as gold, like a red rag to a bull
81 Binomials  rough and ready, peace and quiet, sooner or later
82 Idioms describing people  quick off the mark, round the bend, a lazy-bones
83 Idioms describing feelings or mood  in high spirits, in a black mood, scared stiff
84 Idioms describing problematic situations  to take a back seat, the tide has turned, to bury the hatchet
85 Idioms connected with praise and criticism  knock spots off, on the ball, pick holes in
86 Idioms connected with using language  talk shop, a talking-point, long-winded
87 Miscellaneous idioms  to pay through the nose, to have something on the brain
88 Proverbs  Don't put all your eggs in one basket

Phrasal verbs and verb-based expressions
89 Expressions with do and make  do housework, do up, make a mistake, make up
90 Expressions with bring and take  bring down, bring to light, take after, take for granted
91 Expressions with get  get by, get out of bed on the wrong side
92 Expressions with set and put  set off, set one's heart on, put up with, put two and two together
93 Expressions with come and go  come across, come to an end, go off, as far as it goes
94 Miscellaneous expressions  run out of, see your way to, break someone's heart

Varieties of English
95 Formal and informal words (1)  offspring, children, kids
96 Formal and informal words (2)  slang, wally, cool
97 US English  semester, panty-hose, wash up
98 Other Englishes  loch, Aussie, pad
99 Headline English  axe, hit, vow
100 The language of signs and notices  refrain, admission

Introduction

The first edition of *English Vocabulary in Use: upper-intermediate and advanced* was published in 1994. We felt it was time to revise the book for three main reasons. Firstly, technology and other social changes have brought a number of new words and expressions into everyday use. Secondly, we have collected feedback from users of the book all over the world who have made many helpful suggestions that we have been able to incorporate into our new edition. Thirdly, we have access to the Cambridge International Corpus to help inform the choice, presentation and practice of vocabulary items.

What is the same about the new edition?

It retains the features that have made it popular:
- The format of presentation on the left-hand page and practice on the right-hand page.
- It opens with a section on skills for vocabulary recording and memorising.
- It approaches English vocabulary from a range of different angles – looking not just at topics but also at word formation, at words and grammar, at functions like *Connecting and linking*, at concepts like *Time* or *Distance*, at varieties of English.
- It has a complete student-friendly answer key, containing not just the answers but also comments on them where appropriate.
- It contains language and usage notes that are ideal for the self-study learner.
- It contains four symbols to help identify useful common collocations, typical errors, notes about register and when to use a dictionary. (see p.1)
- There is a complete index at the back, listing all the key words and phrases covered.

What is different about the new edition?

In the new edition we have revised each unit to ensure that it is now at upper-intermediate level. We have done this by cutting words that were either too advanced or too easy, replacing them with words more relevant to the level. Frequency data from the Cambridge International Corpus helped inform our decisions here.

We have also clarified our presentation of vocabulary by adding artwork to make the vocabulary easier to understand. There is now more contextualisation of vocabulary and we have also provided more grammar and pronunciation information about the vocabulary we present.

In revising *English Vocabulary in Use: Upper-intermediate* we have made considerable use of the Cambridge International Corpus of written and spoken English. This enabled us to check that the example contexts for the language presented were the most natural ones. Where necessary, we have suggested different, more frequent, collocations or contexts.

The process of updating the materials has also allowed us to introduce some new units as requested by teachers and students. You will, therefore, find that this edition contains units on: *Guessing and explaining meaning* (Unit 7), *Music* (Unit 47) and *Computers and the Internet* (Unit 58). Unit 17, *New words in English* has been totally revised to match changes in the language since our first edition.

In this second edition we have reorganised our units in a slightly more logical fashion and have introduced clearer headings for some of the sections. We have also created a new section, *Words and pronunciation*. In addition, we have made some other changes to the presentation materials and the exercises that we hope will make the book easier for students to use. The addition of colour in this edition will, we are sure, be a popular change.

We very much hope that students and teachers will continue to enjoy working with *English Vocabulary in Use: Upper-intermediate* and will approve of the changes we have made.

Michael McCarthy and Felicity O’Dell (Cambridge, 2001)
Using this book

Why was this book written?
This book was written to help you to improve your English vocabulary. It will help you to learn not only the meanings of words but also how they are used. You can use this book either with a teacher or for self-study.

How is the book organised?
The book has 100 two-page units. In most units, the left-hand page explains the words and expressions to be studied in that unit. Where appropriate, it gives information about the meanings of words as well as how to use them. The right-hand page checks that you have understood the information on the left-hand page by giving you a series of exercises practising what you have just learnt. Occasionally the right-hand page will also teach you some more new words.

There is a key at the back of the book. It will help you learn more about the words and expressions studied in the unit. Some questions have only one correct answer. Other questions have more than one answer. You will find comments on the answers giving reasons why one answer may be more appropriate than another. You will also find suggested answers for more open-ended questions. These suggested answers are intended to be used as possible examples and are not the only correct answer.

There is an index at the back of the book. This lists all the words and phrases covered in the book and refers you to the units where these words or phrases are discussed. The index also tells you how difficult and unusual words are pronounced. It uses the International Phonetic Alphabet to do this and the symbols you need to know are listed on p.3.

How should I use this book?
The book is divided into a number of sections. Start by working through the first seven units. These units not only teach you some new vocabulary but they also help you with useful techniques for vocabulary learning in general. After completing those units, you might want to work straight through the book or you might prefer to do the units in any order that suits you. You may also like to visit the ‘in Use’ website at http://www.cambridge.org/elt/inuse/.

Key to symbols used in the margins

⚠️ indicates the type of error that students typically make with a word or expression.

🎯 indicates a note about the language register, for example, whether a word or expression is formal or informal, slang or colloquial, or whether it is more commonly used in a written or spoken context.

📚 indicates a common collocation, where words frequently occur together.

📚 indicates where students are advised to refer to a dictionary.
What else do I need in order to work with this book?

You need some kind of vocabulary notebook or file where you can write down the new words you are learning. (See Unit 3 for advice on how to do this.)

You also need to have access to a couple of good dictionaries. This book selects the words that are most important for you to learn at your level and it gives you the most important information about those words but you will sometimes need to refer to a dictionary as well for extra information about meaning and usage. Some exercises tell you to use a dictionary; these help to train you in getting the best out of your dictionary. Firstly, you need an English–English dictionary for foreign learners. Good ones are The Cambridge Advanced Learner’s Dictionary, the Longman Dictionary of Contemporary English, the Oxford Advanced Learner’s Dictionary and the Collins Cobuild English Language Dictionary, for example. Secondly, you will also find a good bilingual dictionary useful. Ask a teacher to recommend a good bilingual dictionary for you. (See Unit 5 for advice on using your dictionaries.) Don’t forget that many dictionaries are available on CD-ROM. If you want more information about different types of dictionaries, visit Cambridge University Press’s website at http://www.dictionary.cambridge.org/
