Absurd Alternative tool 14, 109
basis 109, 119
compared with Inversion tool 119
as effectiveness-testing device 115, 119, 145
fusion used 118, 119
instructions for use 116
product positioning in ad 116–18
thinking processes for using 111–14
acne 49

Activation tool 13, 43–62
basis 44–5, 62
benefits of using 54–5, 62
examples of use 44, 45, 46, 47
instructions for use 56
Mental Activation 53–4
non-brand-specificity 49–51
test in 56
invitation 56
planning 57–9
reward 56–7
and Unification tool 61–2
usefulness 47
uses
awareness of problem 47–51
awareness of solution 51–2
advertising-creation process, books on 1
AIDS research 44
Altschuller, A., on science of creativity 6
Amnesty International 62, 93–4
anti-dandruff products 47–8, 116
apartheid, concept used in ad 73
art direction 1
artistic symbol 67
atomic energy, opposition to 37–8
attention grabbing 43
attractors 7
attribute(s) 145, 146, 147
ads based on 148
compared with value(s) 146–7
connection to value(s) 151–3
attribute already identified with value 151–2
attribute not connected (in customer’s mind) to value 153
creation of value for accepted attribute 153
organization’s perception different from customer’s 153
value dependent on attribute 152
difficulty in agreeing 148
examples 146
as focus of marketing message 150–1
hierarchy 153–4
