*The Cambridge Introduction to the
Short Story in English*

The short story has become an increasingly important genre since the mid-nineteenth century. Complementing *The Cambridge Introduction to the American Short Story*, this book examines the development of the short story in Britain and other English-language literatures. It considers issues of form and style alongside – and often as part of – a broader discussion of publishing history and the cultural contexts in which the short story has flourished and continues to flourish. In its structure the book provides a chronological survey of the form, usefully grouping writers to show the development of the genre over time. Starting with Dickens and Kipling, the chapters cover key authors from the past two centuries and up to the present day. The focus on form, literary history and cultural context, together with the highlighting of the greatest short stories and their authors, make this a stimulating and informative overview for all students of English literature.

Adrian Hunter is Lecturer in English at the University of Stirling.

Acknowledgements

Thanks are due to the University of Stirling and the Arts and Humanities Research Council for funding the period of research leave that allowed me to complete this book. I am likewise indebted to John Coyle for overseeing my early work on the short story and for continuing to hear me out on the subject. For advice, pointers and support of various other sorts I am grateful to Allison Bow, Glennis Byron, Valentine Cunningham, Jennifer Ellis, Scott Hames, Jacqui Harrop, Donald Mackenzie, Robert Miles, Adam Piette, Chris Powici, James Procter, Angela Smith, Joanne Thomson and Rory Watson.
