Cambridge University Press has no responsibility for the persistence or
 accuracy of URLs for external or third-party internet websites referred to
 in this publication, and does not guarantee that any content on such
 websites is, or will remain, accurate or appropriate.

Every effort has been made in preparing this publication to provide
 accurate and up-to-date information which is in accord with accepted
 standards and practice at the time of publication. Although case
 histories are drawn from actual cases, every effort has been made to
 disguise the identities of the individuals involved. Nevertheless, the
 authors, editors and publisher can make no warranties that the
 information contained herein is totally free from error, not least because
 clinical standards are constantly changing through research and
 regulation. The authors, editors and publishers therefore disclaim all
 liability for direct or consequential damages resulting from the use of
 material contained in this publication. Readers are strongly advised to
 pay careful attention to information provided by the manufacturer of
 any drugs or equipment that they plan to use.

All material contained within the CD-ROM is protected by copyright
 and other intellectual property laws. The customer acquires only the
 right to use the CD-ROM and does not acquire any other rights, express
 or implied, unless these are stated explicitly in a separate licence.

To the extent permitted by applicable law, Cambridge University Press
 is not liable for direct damages or loss of any kind resulting from the use
 of this product or from errors or faults contained in it, and in every case
 Cambridge University Press's liability shall be limited to the amount
 actually paid by the customer for the product.
