Part I: Overview

1	Introduction	3
	Goals and scope of this book	3
	Theoretical approaches	7
	Summary	25
2	Background to the study: overview of the Jomon period	26
	Origins of the Jomon culture	26
	Chronological framework	37
	Environment and climate	42
	Population estimates	46
	Physical anthropological studies	50

Part II: Subsistence and settlement

3	Subsistence strategies	57
	History of the analysis of Jomon faunal and floral remains	57
	“Salmon hypothesis” and “plant cultivation hypothesis”	60
	The “Jomon calendar”	61
	Jomon collectors	62
	Food storage and nut collecting	64
	Other plant foods as possible staples	70
	Maritime adaptation and development of shell-middens	72
	Regional variability and changes through time	77
4	Settlement archaeology	79
	History of Jomon settlement studies	79
	Questions about Jomon settlement size and the degree of sedentism	85
	Case Study 1: Analysis of Early Jomon settlement data from central Japan	87

viii	Contents	
	Case Study 2: The Sannai Maruyama site and its place in regional settlement systems	108
	Discussion	132
	Part III: Rituals, crafts, and trade	
5	Mortuary and ceremonial practices	137
	History of the study of Jomon mortuary and ceremonial practices	138
	Types of ritual artifacts	142
	Types of burial	159
	Burials and social inequality	176
	Mortuary practices and cultural landscapes	179
	Construction of ceremonial and monumental features	182
	Discussion	195
6	Crafts and exchange networks	200
	Studies of Jomon pottery	201
	Technological achievements reflected in perishables: wood-working, lacquerware, basketry, and textiles	214
	Exchange networks of exotic and nonexotic goods	221
	Transportation	236
	Discussion	237
	Part IV: Discussion and conclusion	
7	Discussion and conclusion	243
	Development of Jomon cultural complexity	245
	Concluding remarks	261
