Cambridge University Press has no responsibility for the persistence or  
accuracy of URLs for external or third-party internet websites referred to in  
this book, and does not guarantee that any content on such websites is, or will  
remain, accurate or appropriate.

The publisher has used its best endeavours to ensure that the URLs for  
external websites referred to in his book are correct and active at the time of  
going to press. However, the publisher has no responsibility for the websites  
and can make no guarantee that a site will remain live or that the content is or  
will remain appropriate.

Every effort has been made in preparing this book to provide accurate and up-  
to-date information that is in accord with accepted standards and practice at  
the time of publication. Nevertheless, the authors, editors and publisher can  
make no warranties that the information contained herein is totally free from  
error, not least because clinical standards are constantly changing through  
research and regulation. The authors, editors and publisher therefore disclaim  
all liability for direct or consequential damages resulting from the use of  
material contained in this book. Readers are strongly advised to pay careful  
attention to information provided by the manufacturer of any drugs or  
equipment that they plan to use.
