Foreword Emerging frontiers in the bioarchaeology of Southeast Asia xi

CLARK SPENCER LARSEN
Preface xv

1 Introduction: Southeast Asian bioarchaeology past and present 1

NANCY TAYLES AND MARC OXENHAM

Part I Morphological diversity, evolution and population relationships 31

2 The population history of Southeast Asia viewed from morphometric analyses of human skeletal and dental remains 33

HIROFUMI MATSUMURA

3 A multivariate craniometric study of the prehistoric and modern inhabitants of Southeast Asia, East Asia and surrounding regions: a human kaleidoscope? 59

MICHAEL PIETRUSEWSKY

4 Interpretation of craniofacial variation and diversification of East and Southeast Asians 91

TSUNEHIKO HANIHARA

5 New perspectives on the peopling of Southeast and East Asia during the late upper Pleistocene 112

FABRICE DEMETER

6 Human variation and evolution in Holocene Peninsular Malaysia 133

DAVID BULBECK AND ADAM LAUER

7 Dentition of the Batak people of Palawan Island, the Philippines: Southeast Asian Negrito origins 172

CHRISTY G. TURNER II AND JAMES F. EDER
Contents

Part II  Health, disease and quality of life  189

8  Subsistence change and dental health in the people of Non Nok Tha, northeast Thailand  191
   MICHELE TOOMAY DOUGLAS

9  Human biology from the bronze age to the iron age in the Mun River valley of northeast Thailand  220
   KATE DOMETT AND NANCY TAYLES

10  Palaeodietary change among pre-state metal age societies in northeast Thailand: a study using bone stable isotopes  241
    CHRISTOPHER A. KING AND LYNETTE NORR

11  The oral health consequences of the adoption and intensification of agriculture in Southeast Asia  263
    MARC OXENHAM, NGUYEN LAN CUONG AND NGUYEN KIM THUY

12  Cranial lesions on the late Pleistocene Indonesian Homo erectus Ngandong 7  290
    ETTY INDRIATI

13  ‘The predators within’: investigating the relationship between malaria and health in the prehistoric Pacific Islands  309
    HALLIE R. BUCKLEY

Part III  Conclusions  333

14  Synthesising Southeast Asian population history and palaeohealth  335
    MARC OXENHAM AND NANCY TAYLES

Index  351
