1 Redistribution and Stratification Dynamics Under State Socialism	1
Introduction	1
Social Stratification in a Comparative Perspective	5
Redistribution and Stratification Dynamics Under State Socialism	7
The Political Logic of Redistribution	7
The Bureaucratic Class Thesis	9
Redistributive Institutions Thesis	13
Stratification Dynamics Under State Socialism	16
Institutional Transformation and Stratification Processes in the Reform Era	26
The Theoretical Debate	27
Coevolution Between Politics and Markets	30
Looking Ahead	33
2 Overview: Historical Context and Research Design	35
Changing Historical Contexts in Urban China	35
The 1949–1965 Period	36
The 1966–1979 Period	38
The 1980–1994 Period	39

The Evolution of Redistributive Institutions and Life Chances	40
Labor Force Composition	40
Composition of Industrial Output Across Sectors	46
Educational Opportunities	47
The Life History Data From “The State and Life Chances” Project	50
Sampling	51
Research Design Considerations	52
Focus of Analysis: Different Aspects of the Stratification System	53
Main Covariates of Theoretical Interest	54
Statistical Analysis: Models and Methods	60
The Concept of the “Risk Set”	60
Periodization	61
Models	61
Missing Values	64
Chapter Summary	64
PART ONE. REDISTRIBUTION AND STRATIFICATION DYNAMICS: EMPIRICAL EVIDENCE	
3 Educational Stratification	69
Education and Social Stratification: The Issues	71
Historical Evolution of Educational Opportunities	75
State Policies, Social Origins, and Educational Attainment: Further Analyses	80
Overview: Do Social Origins Matter?	83
Effects of Gender and Social Origins on Transition Rates Across Historical Periods	85
Effects of Family Class Background	93
Chapter Summary	95
4 Entry Into the Labor Force: Patterns of First-Job Attainment	98
The Concept of Job in a Comparative Perspective	99
Occupational Status	100
The Hierarchy of Work Organizations	102
Descriptive Patterns of Entry Into the Labor Force	103
Entry Into First Occupation	104
Entry Into First Organization	105
Explaining Entry Into First Jobs: The Overall Pattern	107
Overall Patterns of First-Job Attainment	108
Period-Specific Job-Attainment Patterns	111
Entry Into First Occupation	112

<i>Contents</i>		ix
	Entry Into First Organization	116
	An Alternative Specification of Social Origins	119
	Chapter Summary	122
	Occupation Versus Work Organization Hierarchies	122
	Stratification Dynamics	122
5	Children of the Cultural Revolution: The Send-Down Episode	124
	The Issues	126
	The Send-Down Experience in Historical Context	128
	Historical Patterns of the Send-Down Episode	131
	Different Impacts of State Policies on Social Groups	133
	Who Was More Likely to Be Sent Down?	133
	Return to Urban Areas	138
	Consequences of the Sent-Down Experience	142
	Experience of Subsequent Life-Course Events	142
	Income Determinants	146
	Chapter Summary	151
6	Climbing the Political Ladder: Bureaucratic Career Patterns	154
	Introduction: The Personnel System in the Chinese Bureaucracy	156
	The Bureaucratic System	157
	Policies and Practice of Recruitment and Promotion	159
	Explaining Bureaucratic Career Patterns in Urban China: Two Models	162
	Walder's Dual-Path Model	162
	A Model of Stratification Dynamics	164
	Implications for Empirical Examination	167
	Descriptive Patterns Across Historical Periods	171
	Entry Into Cadre and Professional Careers	173
	Recruitment Into the Communist Party	179
	Promotion Patterns in the Chinese Bureaucracy	182
	Promotion Patterns in Formal Bureaucratic Ranks	183
	Promotion Patterns in Work Organizations	188
	Chapter Summary	192
PART TWO. ASSESSING INSTITUTIONAL CHANGES IN THE POST-MAO ERA		
7	Economic Transformation and Changes in Income Inequality	197
	Redistribution and Marketization: Implications for Income Inequality	199

x	<i>Contents</i>	
	Cross-Sectional Analyses of Income Determinants	202
	Comparing Changes Across Two Eras: A Mixed Model for Panel Data	209
	Exploration of Regional Variations	216
	Comparison With the OLS Results and Other Studies	221
	Chapter Summary	221
8	Redistribution and Latent Economic Benefits	225
	Redistribution and Latent Economic Benefits Policy on Maternity Leave: An Illustration	226
	The Issues	227
	Distribution of Latent Economic Benefits: Historical Overview	229
	A Case Study: Determinants of Housing Distribution	233
	Determinants of Housing Space	234
	Determinants of Housing Quality	239
	Chapter Summary	240
	Implications for Understanding Redistribution and Stratification Dynamics	240
	Implications for Understanding Recent Economic Transformation	243
9	Institutional Changes and Patterns of Job Shifts	246
	Job-Shift Patterns as a Focus of Study	247
	Why Study Job Shifts?	247
	Explaining Job Shifts: Some Considerations	249
	Analytical Strategies in Modeling Job Shifts	251
	Historical Trends of Job Shift Patterns	253
	Explaining Job Shift Patterns Across Historical Periods	255
	External Job Shifts: Moves Across Types of Organizations	255
	Internal Job Shifts: Moves Within Types of Organizations	261
	External Job Shifts: Moves Across Economic Sectors	265
	Chapter Summary	269
10	Economic Transformation and Life Chances: A Life-Course Perspective	272
	Institutional Changes and Life-Course Implications	274
	Empirical Implications	277
	Job-Shift Patterns: Cohort Difference in Response to Opportunities	277
	Determinants of Personal Income: Cohort Variations in Economic Resources	279
	Historical Context, Cohort Attributes, and Evolving Opportunity Structures	280

*Contents*

xi

Response to Opportunities and Risks: Cohort Variations in Job-Shift Patterns	284
Cohort Variations in Economic Rewards	290
Chapter Summary	293
PART THREE. SUMMARY AND CONCLUSION	
I I Social Stratification Under State Socialism: Summary and Assessment	299
The Bureaucratic Class Thesis Revisited	300
Socioeconomic Status and Bureaucratic Privileges	300
Authority Relationships in Work Organizations	303
Intergenerational Status Inheritance	306
A Summing Up	308
Human Capital Versus Political Capital	309
Redistributive Institutions in Social Stratification	311
Stratification Dynamics Under State Socialism: Theoretical Implications	312
Further Issues	315
I 2 Stratification Dynamics and Institutional Transformation	317
Rethinking State–Society Relationship Under State Socialism	317
Imageries of Society under State Socialism	318
An Institutional Model of Unorganized Interests and Collective Action	320
Stratification Dynamics and State–Society Relationship: Further Considerations	322
The Social Basis of Institutional Transformation in China	324
Erosion of the Organizational Basis of Redistribution	325
Life Experiences and Ideological Crises	327
From Social Stratification to Institutional Transformation	330
Beyond China and Beyond State Socialism	333
